Summary:

On October 14, 2015, your Committee considered a September 1, 2015 City Attorney report and Ordinance relative to amending Section 88.10 of Chapter VIII, Division U of the LAMC to add Subsection (a) which will provide an exemption for bicycles secured to an LADOT-approved bicycle parking device on a parking meter stand. On July 28, 2015, Council approved the implementation of the Meter Post Bicycle Parking pilot program in Westwood Village and on Great Streets. However, LAMC Section 88.10 prohibits bicycle parking on parking meter standard posts; therefore, the LAMC will have to be amended in order for the pilot program to proceed.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Ordinance amending LAMC Section 88.10. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
