Summary: The Glassell Park Neighborhood Council (GPNC) appreciates any and all efforts to improve pedestrian safety within Glassell Park and welcomes the suggested improvements at the intersections of Avenues 35 and 41 along Eagle Rock Blvd.

Additionally, the GPNC urges further pedestrian safety enhancements within our community and would like to work with council staff to help identify other areas in need of improvements.

The GPNC supports the Vision Zero initiative and other similar efforts that help achieve the goal of reducing pedestrian fatalities throughout our community and the City as whole.

Furthermore, the GPNC would urge the councilmember to seek community input regarding proposed road diets, lane reductions, or similar projects within our neighborhood prior to making any final determinations.
