

MOTION

138

I MOVE that the Majority Report of the Trade, Commerce and Technology Committee Report related to a Non-exclusive Licensing Agreement for Transportation Network Companies to operate at the airport, CF 15-0899 and Item #13A on today's agenda, be AMENDED as follows:

Replace Recommendation #2 with the following:

- 2. REQUEST the Los Angeles World Airports (LAWA) to do all of the following:
 - a. Develop a 24/7 complaint hotline for ground transportation passengers to make complaints against TNCs, shuttle services, limousines, taxicabs or any other ground transit providers.
 - b. Coordinate with the Los Angeles Police Department and Los Angeles Airport Police to report monthly on complaints and incidents related to ground transportation providers, and identify patterns of complaints against specific transit providers and/or drivers for potential regulatory actions against them.
 - c. Report in six months and one year on the progress of the implementation of the Geo-Fence and driver citations relating to TNCs, taxis and limousine drivers.
