

MOTION

I MOVE that Recommendation #2 of the Revised Majority Report for Item #13 (CF# 15-0899), a Trade, Commerce and Technology Committee report relative to the Board of Airport Commissioners' action approving a Non-Exclusive Licensing Agreement covering Transportation Network Companies (TNCs) serving Los Angeles International Airport (LAX) be AMENDED to include the following additional points:

d. The ability of TNC's serving LAX to ensure that drivers with vehicles qualified and prepared to meet all Americans with Disabilities Act requirements are available to serve passengers at all times and the performance of licensees in doing so; and,

e. The performance of TNC's in being available to passengers emanating from any neighborhood in Los Angeles, without exception; and,

f. The development of a policy and plan on how best to require TNC drivers serving LAX to transition to using clean-air vehicles within a specified period of time to be determined.
