A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

Summary: The PICO Neighborhood Council ("NC") strongly supports prioritizing circular economies and reducing waste. The 2028 Olympics and Paralympics (the "2028 Games"), unfortunately, have the potential of producing huge amounts of waste. The PICO NC strongly supports efforts to reduce that waste to the greatest extent possible. The Council's adoption of Resolution 15-0989-S42 is essential to achieving that important goal. Moreover, many of the City's neighborhoods and residents lack access to quality recreational facilities and equipment. The PICO NC itself lacks any public parks in its territory. The 2028 Games and the facilities and equipment that will be left over afterwards provide the City with a unique opportunity to repurpose 2028 Game facilities, venues, and equipment for the benefit of all Angelenos. For all the

foregoing reasons, PICO NC strongly supports City Council Resolution # 15-0989-S42.

### SUPPORT for Council File: 15-0989-S42

2028 Olympic and Paralympic Games / LA28 Game Venues / Training Facilities / Construction, Retention, and Relocation

Dear Members of the Los Angeles, City Council:

The PICO Neighborhood Council (“NC”) strongly supports prioritizing circular economies and reducing waste. The 2028 Olympics and Paralympics (the “2028 Games”), unfortunately, have the potential of producing huge amounts of waste. The PICO NC strongly supports efforts to reduce that waste to the greatest extent possible. The Council’s adoption of Resolution 15-0989-S42 is essential to achieving that important goal.

Moreover, many of the City’s neighborhoods and residents lack access to quality recreational facilities and equipment. The PICO NC itself lacks any public parks in its territory. The 2028 Games and the facilities and equipment that will be left over afterwards provide the City with a unique opportunity to repurpose 2028 Game facilities, venues, and equipment for the benefit of all Angelenos.

For all the foregoing reasons, PICO NC strongly supports City Council Resolution # 15-0989-S42.
