Re: LA28: Galway Downs Equestrian Center

Dear Members of the Los Angeles City Council:

On behalf of the County of Riverside, I want to thank you for your recent vote in favor of hosting the LA28 Equestrian Olympics and Paralympics in unincorporated Temecula Valley at the Galway Downs Equestrian Center.

Our County, the City of Temecula, equestrian venue representatives, Pechanga, and community stakeholders are working closely and meeting regularly to ensure that Galway Downs' 242 acres and surrounding areas are ready to meet the needs and goals set by the City of Los Angeles for a financially and environmentally sustainable "no car" approach to hosting the Olympics and Paralympic Games.

Galway Downs Equestrian Center, located in the heart of the Temecula Valley has a rich equestrian history which is part of the fabric of Southern California. The City Council's selection of the Temecula Valley honors the vibrant equestrian culture of our region and will inspire future generations.

Once again, thank you for voting to include the Temecula Valley as hosts of the LA28 Equestrian Olympics and Paralympics. We look forward to working with the City of Los Angeles and the multi-jurisdictional planning efforts to provide a world class experience for athletes, spectators, and the great Los Angeles regional equestrian community.

Sincerely,

Supervisor Chuck Washington
