**Comments for Public Posting:** I am writing to opposed this measure unless it is amended to clarify that signage installed, whether billboards, kiosks, super graphics, barricades, etc. must all be deemed ineligible to be considered for permanent status. The bill language permits the adoption of "temporary installations" to become permanent, even though they have not been reviewed by the public. THIS OVERRIDES CEQA AND OVERRIDES THE INTEGRITY OF INDIVIDUAL NEIGHBORHOODS. PLEASE AMEND.
