

COUNTY CLERK'S USE

CITY OF LOS ANGELES

OFFICE OF THE CITY CLERK
200 NORTH SPRING STREET, ROOM 395
LOS ANGELES, CALIFORNIA 90012

CALIFORNIA ENVIRONMENTAL QUALITY ACT

NOTICE OF EXEMPTION

(PRC Section 21152; CEQA Guidelines Section 15062)

Pursuant to Public Resources Code § 21152(b) and CEQA Guidelines § 15062, the notice should be posted with the County Clerk by mailing the form and posting fee payment to the following address: Los Angeles County Clerk/Recorder, Environmental Notices, P.O. Box 1208, Norwalk, CA 90650. Pursuant to Public Resources Code § 21167 (d), the posting of this notice starts a 35-day statute of limitations on court challenges to reliance on an exemption for the project. Failure to file this notice as provided above, results in the statute of limitations being extended to 180 days.

ENTITLEMENTS APPROVED

JUSTIFICATION FOR CEQA EXEMPTION

The Department of City Planning has determined, based on the whole of the administrative record, that the proposed 2028 Olympic and Paralympic Planning and Zoning Exemption Ordinance (Ordinance), ENV-2025-6190-SE, is exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code (PRC) Section 21080(b)(7) and CEQA Guidelines Section 15272 – *Olympic Games*.

PRC Section 21080(b)(7) reads:

- (7)(A) Activities or approvals for the bidding, hosting or staging of, and funding of, an Olympic Games and a Paralympic Games under the authority of the International Olympic Committee or the International Paralympic Committee, except for the construction of facilities necessary for the Olympic Games or Paralympic Games.
- (B) Notwithstanding subparagraph (A), the division does not apply to the construction of temporary facilities for the 2028 Olympic Games and Paralympic Games. For purposes of this subparagraph, "temporary facility" means a facility that will be completely removed and the area restored to a clean and safe condition within six months after the end of the 2028 Olympic Games and Paralympic Games.
- (C) Any confirmed changes to the locations of the competition venues of the 2028 Olympic Games and Paralympic Games venue plan, pursuant to the host city contract and games agreement with the City of Los Angeles, shall be noticed publicly on the organizing committee's official internet website and shall be noticed in a newspaper or other medium of general circulation in the local jurisdiction notifying the public of the change in location of the venue.

CEQA Guidelines Section 15272 reads:

CEQA does not apply to activities or approvals necessary to the bidding for, hosting or staging of, and funding or carrying out of, Olympic Games under the authority of the International Olympic Committee, except for the construction of facilities necessary for such Olympic Games. If the facilities are required by the International Olympic Committee as a condition of being awarded the Olympic Games, the lead agency need not discuss the "no project" alternative in an EIR with respect to those facilities.

Guideline Section 15272 was promulgated prior to Assembly Bill (AB) 149, adopted in 2025, which amended Section 21080(b)(7) to broaden the CEQA exemption to the construction of temporary facilities, requiring their removal within six months after the end of the 2028 Olympic and Paralympic Games.¹

¹ AB 149 also added a new section to Public Resource Code Section 30612.5, which exempts all Games-related temporary development in the Coastal Zone from the requirements to obtain a local coastal development permit under the Coastal Act. The coastal exemption remains in effect until December 31, 2028.

The Ordinance is exempt under PRC Section 21080(b)(7) because the City of Los Angeles will be hosting the 2028 Summer Olympic and Paralympic Games starting on July 14 and concluding on July 30, 2028, and the Paralympic Games starting on August 15, 2028, and concluding on August 27, 2028. The Ordinance amends the Zoning Code to establish exemptions from existing requirements for certain temporary and permanent projects necessary to carry out the Olympic and Paralympic Games in Los Angeles. The project amends the City's processes and will facilitate development of facilities to host the Olympics but does not require or involve any particular construction project. Any permanent physical development or construction of facilities needed for the Games would remain subject to CEQA review unless separately exempt under other provisions of the CEQA Guidelines. The Ordinance does not change the zoning or land use designation of any properties. Instead, it establishes clear definitions, procedures, and administrative pathways that are intended to facilitate the supporting activities needed for the 2028 Olympic and Paralympic Games. Because the Ordinance would allow the City to streamline administrative procedures to facilitate the hosting/staging and carrying out of the Games under the authority of the International Olympic Committee, as such it qualifies for the statutory exemption under CEQA pursuant to PRC Section 21080(b)(7) and CEQA Guidelines Section 15272. For this reason, the Department of City Planning concludes that CEQA does not apply and that no further environmental review is required for the adoption of the Proposed Ordinance.
