A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enable by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Councils rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

City Planning Number:

Agenda Date:

Item Number:

Summary: The North Westwood Neighborhood Council (NWWNC) supports efforts by the Los Angeles City Council (Council) to make contracting and procurement opportunities more accessible to businesses of all sizes in anticipation of the 2028 Olympic and Paralympic Games (the Games) including, without limitation, through public posting of bid opportunities, requests for proposals, and subcontracting opportunities from City departments and affiliated agencies in one centralized location on the Regional Alliance Marketplace for Procurement (RAMP LA) website. As the future home of the 2028 Olympic Village, North Westwood will be at the heart of major tourist and commercial activity involving local,

regional, national, and international stakeholders in the time periods leading up to, during, and after the Games. This includes significant anticipated involvement in the cultural, entertainment, and other participation opportunities comprising non-venue activations (NVAs), as well as a general increase in commercial activity based on the considerable expected inflow of tourists to our city in general and to our neighborhood in particular. Accordingly, equitable access to public contracting opportunities is paramount to enable North Westwood's local businesses (especially its small, minority-owned, and disadvantaged businesses) to more easily participate in procurement processes. North Westwood's businesses, along with others located in the City of Los Angeles, will be most impacted by the Games and should have priority in being able to apply for procurement opportunities in one centralized portal to the extent possible for ease of reference.
