Section 10.6 (Emphasis added)*

Fiscal Year 2026-2027

7.4.1 Identification of Enhanced City Resources at Identified Venues. The VSAs will be negotiated by the Parties and executed based on mutual consent for each Identified Venue.

Each VSA will identify, among other things, (i) Enhanced City Resources to be provided by the City; (ii) to the extent not otherwise contained in the ECRMA, processes for estimating Enhanced City Resources expenses (e.g., rates and unit costs); (iii) access rights to the applicable Identified Venue; and (iv) the Games Footprint for the applicable Identified Venue. The OCOG shall coordinate the development of the VSAs with the CAO (by and through its City Liaison(s)), who shall, in turn, ensure coordination with any relevant City department or planning body in order to facilitate City-wide administrative oversight, budgetary control, and any requests which may require further approval by the Mayor and Council.

“**13.6 Surplus Audit. After the OCOG has calculated the Surplus, the City shall have the right to independently audit all information used by OCOG to calculate the Surplus.**

12. Audit Rights. The OCOG represents that it does and shall continue to maintain a commercially reasonable accounting and document preservation system. In the event that an audit is required in order for City to be eligible for state or federal funding, OCOG agrees to work in good faith with City to provide it with OCOG records that are necessary for City to pursue such funding. Notwithstanding any provision in this ECRMA, the Parties shall maintain all audit rights delineated in the Games Agreement, including with respect to Section 13.6 (Surplus Audit) of the Games Agreement, which states that “[a]fter the OCOG has calculated the Surplus, the City shall have the right to independently audit all information used by OCOG to calculate the Surplus.

12.4.5 The Allocated Contingency may only be:

12.4.5.1 utilized to cover expenditures in the event that other actual or projected OCOG revenues (including the Unallocated Contingency) are not available to cover the expenditures; or

12.4.5.2 disbursed as surplus 2028 Games profits in accordance with the Host City Contract.

12.4.6 Prior to the OCOG's use of the Allocated Contingency with respect to Section 12.4.5.1 only, the OCOG shall obtain the City's written consent (which shall not be unreasonably withheld, conditioned, or delayed).
