

AMENDING MOTION

I HEREBY MOVE that Council AMEND the Planning and Land Use Management Committee report to also INSTRUCT the Department of City Planning to report to Council when the ordinance is submitted for Council consideration relative to options regarding the following:

- a. Findings that there are no public health impacts in the Hybrid Industrial Live/Work Zone with regard to existing and historic industrial uses in the areas that can cause a health risk to future residents.
- b. Economic findings that the industrial land in the area is no longer viable and necessary for manufacturing uses.
- c. Findings that there would not be a potential for relocation of potential heavy industrial uses to other parts of the City that would be adverse to other parts of the City.
