Honorable City Council
City of Los Angeles
c/o: Office of the City Clerk
City Hall, Room 395

Honorable Mayor Garcetti and Members of the City Council:

SUBJECT

Contracting authority request for the Public Health Emergency Preparedness and Response Services Coordinator.

RECOMMENDATION FOR MAYOR AND COUNCIL ACTION

The Emergency Management Department (EMD) respectfully requests the Mayor and City Council grant authority to EMD to accept the first contract amendment to contract C-134726 between the City of Los Angeles and the Los Angeles County Department of Public Health (LACDPH) for a Public Health Emergency Preparedness and Response Services Coordinator. The first contract amendment will be for an extended period beyond the initial twelve-month period of time from July 1, 2019 through June 30, 2020, and shall extend from July 1, 2020 through June 30, 2021 for a total amount not to exceed \$174,001.00.

BACKGROUND

On December 15, 2015, the City Council approved reports relative to an initial contract with LACDPH (Council File 15-1092) to provide the City of Los Angeles' Emergency Management Department (EMD) with a staff position dedicated to public health emergency planning.

This position request reflects the joint work effort between the City of Los Angeles EMD and LACDPH which has been providing the City with a Public Health position since 2007. This position allows the City of Los Angeles access to County of Los Angeles public health-related information and services. Changes in 2015 marked the initial contract for the City to assume responsibility for the position's employment related to personnel and payroll responsibilities, reimbursed by LACDPH with grant funding.

The position continues to be exclusively dedicated to supporting the City's emergency preparedness and response planning efforts related to public health emergencies and threats, including bioterrorism. Since the City of Los Angeles does not have a city health department, the work that will be undertaken by the Public Health position is critical to ensuring the level of awareness is met in relation to emergency management planning efforts within EMD.

The position shall be filled with a Senior Project Coordinator (Class Code 1538) that will act as the liaison between the LACDPH Emergency Preparedness and Response Division and the City of Los Angeles' Emergency Management Department in implementing, executing, and coordinating key public health emergency preparedness domains for the City of Los Angeles including community resilience, incident management, information management, countermeasures and mitigation, surge management, and bio surveillance. Duties include, but are not limited to, developing comprehensive response plans for the City of Los Angeles incorporating County of Los Angeles Health Agency policies and procedures related to medical countermeasures planning and dispensing; developing training and exercises; and health-related hazard specific planning for chemical and biological incidents.

In addition, and in accordance with Charter Section 100 (d)(4), the Senior Project Coordinator position (Civil Service Class Code 1538) has received a Civil Service Commission Exemption as of May 28, 2020 for a term not to exceed two years (CSC No. 3386 File No. 55467) along with its subsequent City Council approval on August 9, 2019 (Council File 15-1544).

An initial contract (C-126913) was signed with the Los Angeles County Department of Public Health (LACDPH) (LA County Contract # PH-003073) for a Public Health Emergency Preparedness and Response Services Coordinator and was approved by Council on December 15, 2015. A first amendment to contract C-126913 was approved by Council on March 7, 2018. A second and third amendment were approved by Council on September 4, 2018. A new contract (C-134726) was processed by LACDPH (LA County Contract # PH-004087) and approved by Council on November 27, 2019.

This request is to approve a first amendment to Contract C-134726.

REQUEST

EMD is seeking City Council acceptance of the first contractual amendment to contract C-134726. The contract continues the work of public health emergency preparedness and response planning under the Catalog of Federal Domestic Assistance (CFDA) Number 93.069 Public Health Emergency Preparedness (PHEP) through the United States Department of Health and Human Services Centers for Disease Control and Prevention (CDC).

The requested first contract amendment covers the direct and fringe benefit costs of the

requested Senior Project Coordinator position. The position will be front-funded within EMD's existing budgeted salary funds and then reimbursed by the LACPHD and recorded as revenue to the General Fund.

As a city agent, EMD is requesting City Council authorization to execute the attached first contract amendment in coordination with the Office of the City Attorney and City Clerk. EMD will process all necessary paperwork required for reimbursement of appropriated funds to the City.

RECOMMENDATIONS FOR COUNCIL ACTION, SUBJECT TO APPROVAL OF THE MAYOR

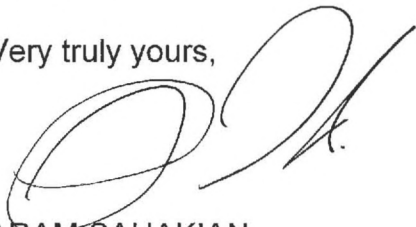

That the Council, subject to the approval of the Mayor:

1. INSTRUCT the City Clerk to place on the Council agenda for the first regular Council meeting on August 1, 2020, or shortly thereafter, the following actions relative to the Public Health Emergency Preparedness and Response Services Coordinator;
2. AUTHORIZE the General Manager of EMD to execute the attached first contract amendment (C-134726) with the Los Angeles County Department of Public Health (LACDPH) in an amount not to exceed \$174,001.00 for the period from July 1, 2020 through June 30, 2021 subject to approval of the City Attorney as to form.
3. AUTHORIZE EMD to deposit monthly reimbursement payments received to the City's General Fund, Fund 100, Dept. 35, Revenue Source Code 5188, "Miscellaneous Revenue - Others".
4. AUTHORIZE EMD to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to approval of the City Administrative Officer, and authorize the Controller to implement the instructions.

FISCAL IMPACT STATEMENT

There is no anticipated fiscal impact to the General Fund in accepting the grant funds as awarded.

Very truly yours,

ARAM SAHAKIAN
General Manager
