Comments for Public Posting: Hon. Council-members, I am writing to urge the city council to vote NO on the expansion of the L.A. Convention Center. It is too costly and over-budgeted. At a time of a fiscal emergency, we do not have the funds to “modernize” and or expand the Convention Center. The City should prioritize saving city jobs for non-sworn employees and fix our aging capital infrastructure plan, and to repair and maintain our infrastructure. To continue to provide services to the city of Los Angeles. I urge the Budget and Finance Committee, and the full City Council to vote NO on this unnecessary project. Thank you, LIONEL MARES, MPA
