Hello,

I've lived in Wilshire Vista for over ten years.

On June 28, 2016 there will be an item up for a vote (Council File 16-0735) before the Planning and Land Use Management Committee and while I will not be able to attend, I would like to go on record that I, in unity with my neighborhood, am in FULL SUPPORT OF AN ICO FOR WILSHIRE VISTA.

We are simply asking for reasonable protection from mansionization so our neighborhood maintains its consistency and livability -- protection that has been afforded to numerous other neighborhoods by way of ICOs that have been established across the city. We deserve the same considerations.

Thank you for your time,
Michelle Stern
