RE: COUNCIL FILE TRANSMITTAL

On January 19, 2016, the Innovation, Grants, Technology, Commerce and Trade Committee considered City Administrative Officer (CAO) and Department of Building and Safety reports relative to the Fiscal Year 2015-16 interim budget request for additional resources for Los Angeles World Airports capital improvement projects and Non-Ductile Concrete Program, Council file No. 15-1388.

After consideration, the Committee moved to approve the recommendations contained in the CAO report with the amendment that the CAO and Department of Building and Safety report back in 60 days on the progress of the hiring of the position to support the development of the Los Angeles International Airport Master Plan. This file is now transmitted to the Personnel and Animal Welfare Committee.
