Summary: Resolved, the ERNC supports Council File: 151450 and Council File: 151450S4, as well as the findings of the LADOT report attached on March 14, 2016, and asks that LADOT begin a "pilot program that would return a portion of local meter revenue to the locations where it was generated" and for that funding to go to "transportation improvements." We urge the City Council and its Transportation Committees to schedule this motion for a hearing and discussion as soon as possible.
