Motor Transport Division (MTD) has reviewed the request from Hollywood Area to accept the donation of the 2012 E350 12 passenger van from The Hollywood Police Activities League (PAL) into the Hollywood Area fleet. After assessing the vehicles overall condition, it was determined that MTD will be able to maintain the vehicle and accept it into Hollywood's fleet. I am recommending that Hollywood division salvage a similar asset from its vehicle inventory once the vehicle donation is approved.

THE MINIMUM PUBLIC LIABILITY INSURANCE LIMITS PROVIDED IN LAW MUST BE MET BY EVERY PERSON WHO PURCHASES A VEHICLE. IF YOU ARE UNSURE WHETHER OR NOT YOUR CURRENT INSURANCE POLICY WILL COVER YOUR NEWLY ACQUIRED VEHICLE IN THE EVENT OF AN ACCIDENT, YOU SHOULD CONTACT YOUR INSURANCE AGENT.

WARNING: YOUR PRESENT POLICY MAY NOT COVER COLLISION DAMAGE OR MAY NOT PROVIDE FOR FULL REPLACEMENT COSTS FOR THE VEHICLE BEING PURCHASED. IF YOU DO NOT HAVE FULL COVERAGE, SUPPLEMENTAL COVERAGE FOR COLLISION DAMAGE MAY BE AVAILABLE TO YOU THROUGH YOUR INSURANCE AGENT OR THROUGH THE SELLING DEALER. The Annual Percentage Rate may be negotiable with the Seller. The Seller may assign this contract and retain its right to receive a part of the Finance Charge.

THERE IS NO COOLING-OFF PERIOD UNLESS YOU OBTAIN A CONTRACT CANCELLATION OPTION California law does not provide for a "cooling-off" or other cancellation period for vehicle sales. Therefore, you cannot later cancel this contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign below, you may only cancel this contract with the agreement of the seller or for legal cause, such as fraud. However, California law does require a seller to offer a two-day contract cancellation option on most vehicles with a purchase price of less than forty thousand dollars (\$40,000), subject to certain statutory conditions. This contract cancellation option requirement does not apply to the sale of a recreational vehicle, a motorcycle, or an off-highway motor vehicle subject to identification under California law. See the vehicle contract cancellation option agreement for details.

YOU AGREE TO THE TERMS OF THIS CONTRACT. YOU CONFIRM THAT BEFORE YOU SIGNED THIS CONTRACT, WE GAVE IT TO YOU, AND YOU WERE FREE TO TAKE IT AND REVIEW IT. YOU ACKNOWLEDGE THAT YOU HAVE READ BOTH SIDES OF THIS CONTRACT, INCLUDING THE ARBITRATION PROVISION ON THE REVERSE SIDE, BEFORE SIGNING BELOW. YOU CONFIRM THAT YOU RECEIVED A COMPLETELY FILLED-IN COPY WHEN YOU SIGNED IT.

If Buyer fails to pay any money owing on this contract, each Guarantor must pay it when asked. Each Guarantor acknowledges receipt of a completed copy of this contract and guaranty at the time of signing.

Ford Motor Company will provide for repair or replacement of covered components on the vehicle during the warranty period in accordance with the following terms, conditions and limitations.

1. Warranty coverage.

New-Vehicle Limited Warranty coverage: First, if still in effect, coverage is provided for the remainder of the Ford New-Vehicle Limited Warranty. (See the New-Vehicle Limited Warranty owner's guide for details.)

Second, Ford Certified Pre-Owned Comprehensive Limited Warranty coverage is provided for 12 months or 12,000 miles (whichever comes first) from the expiration of the Ford New-Vehicle Limited Warranty or the date of your Certified Pre-Owned vehicle purchase, whichever comes later.

Note: The coverage provided by the Ford Certified Pre-Owned Comprehensive Limited Warranty is not as extensive as that provided under the New-Vehicle Limited Warranty.

Powertrain Limited Warranty coverage: Powertrain Limited Warranty coverage is provided by the Ford Certified Pre-Owned Powertrain Limited Warranty for 7 years or 100,000 miles (whichever comes first) from the original Ford New-Vehicle Limited Warranty start date.

2. Repairs covered under the Ford Certified Pre-Owned Limited Warranty. Your dealer will repair, replace or service all covered components, specified on the reverse, that are found to be defective in factory-supplied materials or workmanship during the applicable warranty periods. What is not covered under the Ford Certified Pre-Owned Comprehensive Limited Warranty and Powertrain Limited Warranty is specified on the reverse.

3. Deductible. Repairs completed under any remaining Ford New-Vehicle Limited Warranty coverage (if applicable) have a \$0 standard deductible per repair visit. Repairs completed under Ford Certified Pre-Owned Comprehensive Limited Warranty and Powertrain Limited Warranty coverage have a \$100 standard deductible per repair visit.

4. Component protection. Components covered by the Ford Certified Pre-Owned Comprehensive Limited Warranty are shown on the reverse side and Powertrain Limited Warranty component coverage is shown on the reverse side in bold.

5. Where to go for covered repairs. To obtain repairs or service, Ford requires that you return to your Ford Dealership or any participating Ford or Lincoln Dealership in the continental United States, Alaska, Hawaii, Canada and Mexico, except in an emergency (if your covered vehicle is inoperable and all participating Ford and Lincoln Dealership service departments are closed). If you require assistance in receiving covered repairs or locating the nearest Ford or Lincoln Dealership, Ford owners may contact the Ford Customer Assistance Center at 800-392-FORD. If your vehicle needs an emergency service or repair, the vehicle is inoperable and all Ford or Lincoln Dealerships within a 25-mile radius are closed, you may obtain repairs or service from any Ford or Lincoln Dealership or any other repair or service facility in the continental United States, Alaska, Hawaii, Canada and Mexico.

6. Repairs. All warranty repairs of covered components MUST be made with new or remanufactured parts authorized by Ford Motor Company. In some cases, the use of Ford Authorized Remanufactured products is required after the expiration of the New-Vehicle Limited Warranty.

7. Care of vehicle. Your vehicle must be properly operated and maintained in accordance with the maintenance schedule in the service guide, which is part of the owner's guide, for the vehicle. Proof of maintenance may be required in the event a question arises as to whether a malfunction is caused by a defect in factory-supplied materials or workmanship or lack of proper maintenance.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Ford engineering specifications. Failure to perform scheduled maintenance as specified in the service guide will invalidate warranty coverage on parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your scheduled maintenance guide.

8. 24-Hour Roadside Assistance. Services are provided by either Cross Country Motor Club, Inc., Cross Country Motor Club of California, Inc. or Coach-Net Services Group, Inc. 9. Rental car reimbursement. If your vehicle is inoperative and must be kept overnight for a covered repair, including recalls involving a Ford Certified Pre-Owned Comprehensive Limited Warranty covered component or a Ford Certified Pre-Owned Powertrain Limited Warranty covered component, you will be reimbursed up to \$30 per day (including tax) for up to five days or until repair is complete, whichever comes first.

10. Transferability. This warranty is transferable. If you sell your pre-owned vehicle, the remaining Ford Certified Pre-Owned Comprehensive Limited Warranty coverage and the remaining Ford Certified Pre-Owned Powertrain Limited Warranty remain in effect for the new owner.

First Owner

Ford or Lincoln Mercury Recall

The Ford Motor Company provides Carfax with Field Service Action and recall information regarding safety, compliance and emissions programs announced since 2000 for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local Ford or Lincoln Mercury Dealer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

NMVTIS Consumer Access Product Disclaimer

The National Motor Vehicle Title Information System (NMVTIS) is an electronic system that contains information on certain automobiles titled in the United States. NMVTIS is intended to serve as a reliable source of title and brand history for automobiles, but it does not contain detailed information regarding a vehicle's repair history.

All states, insurance companies, and junk and salvage yards are required by federal law to regularly report information to NMVTIS. However, NMVTIS does not contain information on all motor vehicles in the United States because some states are not yet providing their vehicle data to the system. Currently, the data provided to NMVTIS by states is provided in a variety of time frames; while some states report and update NMVTIS data in "real-time" (as title transactions occur), other states send updates less frequently, such as once every 24 hours or within a period of days.

Not all repair or significant vehicle damage may be included in the system if the vehicle was never determined by an insurance company or other appropriate entity to be a "total loss" or branded by a state titling agency. Conversely, an insurance carrier may be required to report a "total loss" even if the vehicle's titling-state has not determined the vehicle to be "salvage" or "junk."

A vehicle history report is **NOT** a substitute for an independent vehicle inspection. Before making a decision to purchase a vehicle, consumers are strongly encouraged to also obtain an independent vehicle inspection to ensure the vehicle does not have hidden damage. The National NMVTIS logo

Providers (look for the NMVTIS logo) can include vehicle condition data from sources other than NMVTIS.

NMVTIS data **INCLUDES** (as available by those entities required to report to the System):

- Information from participating state motor vehicle titling agencies.
- Information on automobiles, buses, trucks, motorcycles, recreational vehicles, motor homes, and tractors. NMVTIS may not currently include commercial vehicles if those vehicles are not included in a state's primary database for title records (in some states, those vehicles are managed by a separate state agency), although these records may be added at a later time.
- Information on "brands" applied to vehicles provided by participating state motor vehicle titling agencies. Brand types and definitions vary by state, but may provide useful information about the condition or prior use of the vehicle.
- Most recent odometer reading in the state's title record.
- Information from insurance companies, and auto recyclers, including junk and salvage yards, that is required by law to be reported to the system, beginning March 31, 2009. This information will include if the vehicle was determined to be a "total loss" by an insurance carrier.
- Information from junk and salvage yards receiving a "cash for clunker" vehicle traded-in under the Consumer Assistance to Recycle and Save Act of 2009 (CARS) Program.

Consumers are advised to visit www.vehiclehistory.gov for details on how to interpret the information in the system and understand the meaning of various labels applied to vehicles by the participating state motor vehicle titling agencies.
