Introduction

This quarterly report has been prepared by the Los Angeles Department of Water and Power (LADWP), Supply Chain Services Division for official submission in accordance with Administrative Code 10.1.1(e) to the Board of Water and Power Commissioners (Board) of the City of Los Angeles. Ordinance No. 185471 (Ordinance) amending Section 10.1.1 of the City of Los Angeles Administrative Code states:

“(e) The DWP will report quarterly to the Board and the City Council with respect to contracts pending, approved, or terminated by the General Manager or the Board. The report shall also set forth the status of any pending requests for the use of independent contractors pursuant to Charter Section 1022. The DWP will post on its website a listing of all contracts awarded by the DWP within 60 days of the end of each calendar year.”

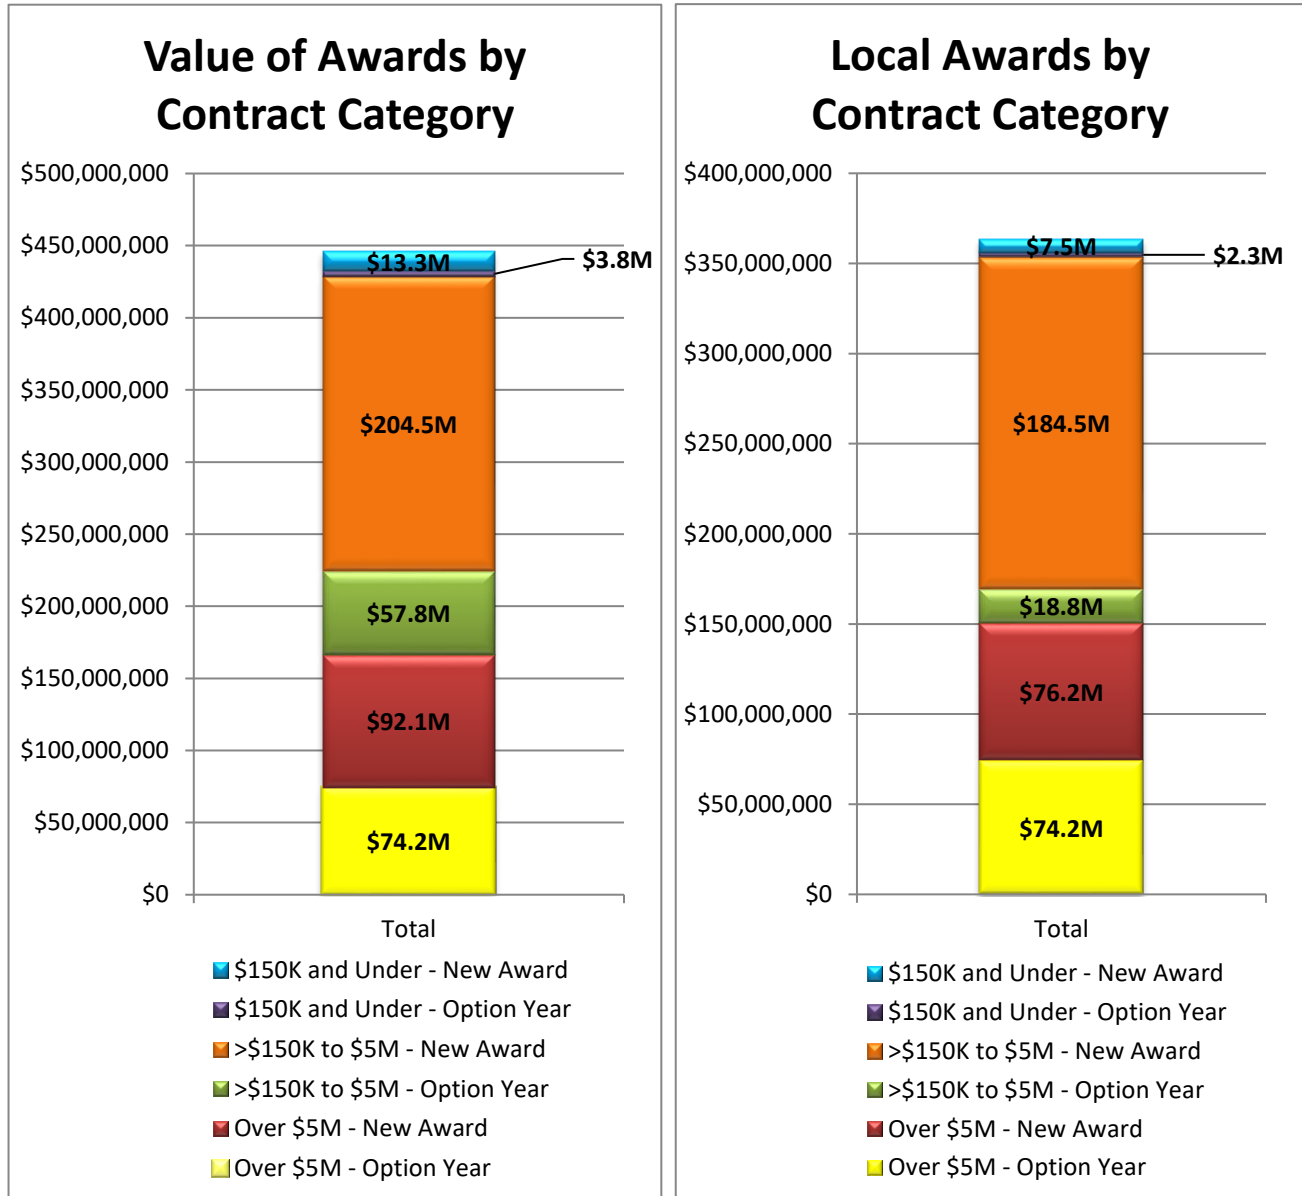

Per the Ordinance as stated above, this report requires LADWP to provide the following required information for the quarter:

- Contracts Pending – all bids that are published or closed but not yet awarded.
- Contracts Approved – all contracts awarded during the reporting quarter.
- Contracts Terminated
- Status of Pending Requests for Use of Independent Contractors (pursuant to Charter Section 1022) – includes pending requests, completed requests, and requests closed by LADWP (no longer needed).

Also being reported is the quantity and dollar amount of awards being made to local businesses.
