Re: DWP Neighborhood Council Oversight Committee

We request that the City Council follow the recommendations of the Neighborhood Council DWP Oversight Committee and the Industrial, Economic and Administrative Survey for a committee to examine governance reforms for the Department of Water and Power with the explicit task of reporting its findings and recommending a measure for the 2017 ballot.

This Governance Committee should be involved in drafting any memorandums and other information from the beginning and include at least two members from Neighborhood Councils who are familiar with the finances and operations of the DWP. The DWP Oversight Committee recommends that there be a robust and transparent discussion and debate before any measure is placed on the ballot for voter approval or rejection.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Lisa Sarkin

Lisa Sarkin, President
Studio City Neighborhood Council
