Re: Proposed Lien on Property

C.F. 16-0160-5149

This is a written protest regarding the proposed lien and I would like to state the following:
(1) When I purchased the above referenced property, the code violations were already there. Unfortunately, this was not disclosed by the Real Estate agent and I was too naive to recognize this.

(2) However, I have not willful chose to ignore the citations and fees. I have not been able to come up with the finances required. Currently I am struggling to keep my home and after on my property would undermine all that I've been fighting so hard to keep.

(3) In addition, I believe that the fee interest on the original amount is extremely excessive. If I was a business owner or something, I could understand those fees, but surely there could be some consideration for a struggling homeowner. I would respectfully like to ask for a consideration on a reduction in the amount being charged and a payment plan if possible. This is the only way I would be able to get this taken care of at this time.

PROTEST

Sincerely,

Deborah Cain
(Owner)
