RE: the "hearing/meeting" of 7-28-17, 10:am, wherein ladb&s asks for permission to create and file a lien on private property at 2622 Bentley Ave. Due to illness I am unable to present a protest at that said time and date.. Please postpone and/or reset such hearing for protest regarding any such lien, until I am able to attend and this matter is investigated , along with Calif Public Record Act responses.. Jack Sripoona,at field office [, although it appears that he has ignored this matter], . should have specifics. I can be called at 424-293-2248.

A. Pappas
