Summary: RE: CF 16-0187, CF 17-0166 The Los Angeles Neighborhood Council (LANCC) (XXXXXX Neighborhood Council). (2016 Transportation Ballot Measure / San Fernando Valley Share / Measure R)

The Winnetka NC opposes Mayor Eric Garcetti's proposal to close part of the City's \$250 million budget gap for next year by using an estimated \$50 million of Local Return money from Measure M, the permanent half cent increase in our sales tax that was approved by 71% of voters in November, 2016. We support that the funds be evenly distributed between the Council Districts. We further recommend that Measure M Local Return Funds be used to supplement city budget funding to repair our sidewalks and pave our streets as presented to voters in Measure M campaign outreach. We also support that the Neighborhood Councils have a more active role in the decisions of how the funds will be spent.
