Summary: Motion for Board approval and C.I.S. stating that the Greater Valley Glen Council agrees with the City Council that climate change is the most significant issue facing Earth today. We favor its directive to the Department of Water and Power to initiate a joint study as specified in CF 16-0243 with the distinction that its objective should be to determine what investments and technologies could, as opposed to should, be made to achieve a 100% renewable portfolio for LADWP. Integral to the study must be consideration of the costs that could be incurred. (CF 16-0243).
