COUNCIL TRANSMITTAL: REQUEST FOR AUTHORITY TO ISSUE A SUPPLEMENTAL TAX-EXEMPT MULTIFAMILY MORTGAGE REVENUE BOND IN THE AMOUNT NOT TO EXCEED \$2,800,000 AND AUTHORITY TO EXECUTE RELATED BOND FINANCING DOCUMENTS FOR MCCADDEN CAMPUS SENIOR HOUSING, A SUPPORTIVE AND AFFORDABLE HOUSING PROJECT

SUMMARY

The General Manager of the Los Angeles Housing Department (“LAHD”) respectfully requests authority to re-issue a supplemental tax-exempt multifamily conduit revenue bond in the amount not to exceed \$2,800,000 for the development of McCadden Campus Senior Housing (Project). The Project consists of a 98-unit development located at 1127 N. Las Palmas Avenue (formerly known as 1118 N. McCadden Place), Los Angeles CA, 90038 in Council District 4, currently in development by Thomas Safran & Associates, Inc., with a total per-unit development cost of \$531,776 and a per-unit HHH subsidy of \$56,122. The California Debt Limit Allocation Committee (CDLAC) has designated December 12, 2022 as the bond issuance deadline.

RECOMMENDATIONS

- I. That the City Council, subject to the approval of the Mayor:
 - A. ADOPT the Resolution, provided as Attachment A to this report, authorizing the issuance of up to \$2,800,000 of a supplemental tax-exempt multifamily conduit revenue bond for the development of the McCadden Campus Senior Housing project; and,
 - B. AUTHORIZE the General Manager of LAHD, or designee, to negotiate and execute the relevant bond documents for the Project, subject to the approval of the City Attorney as to form.

BACKGROUND

Project Summary

The proposed supportive housing development is located at 1127 N. Las Palmas Avenue, Los Angeles, CA 90038, in Council District 4. The project involves the new construction of a five-story building with 98 units serving seniors (minimum age 62). The unit mix will include 19 studios, 75 one-bedroom units, and four two-bedroom units, one of which will be an unrestricted manager's unit. The units will range from 400 to 850 square feet (sf); and the two-bedroom manager's unit will be approximately 850 sf. The Project will provide 97 units for low-income seniors and seniors that formerly experienced homelessness. Project amenities will include approximately 920 square feet of indoor community space with a television and seating area, a computer room, a lobby, restrooms, and laundry facilities. The project will also have well-designed outdoor space, including a 4,700 square-foot main courtyard with landscaped areas and pathways, integrating it into the larger campus. Of note, McCadden Campus Senior Housing will be across the street from the Village at Ed Gould Plaza, which provides senior services. Project residents will have access to comprehensive supportive services, job training, counseling, media classrooms, social programming, and community-serving retail, theater, and galleries at the facility. Each unit will have a refrigerator, oven and stove, air conditioning and heating, and cable and internet hook-ups. There will be two elevators and a two-story subterranean parking garage.

The Project's original budget has been impacted by increases in several areas. Working with its general contractor, the Borrower proposed a revised budget that adds approximately \$2.8 million to the Project construction costs, and approximately \$2.5 million in financing costs, fees and other soft costs, reflecting a significant increase in labor and materials. The supplemental bond is needed to ensure timely completion of the Project and to make sure that the development meets the requirements of other lenders and the investor. The project is 99% complete and is expected to be finished by September of this year.

Financing History

Previously, LAHD executed an inducement letter on April 26, 2018 for an amount not to exceed \$31,250,000. The letter evidenced the official intent of the City of Los Angeles to issue bond(s) for the development. The letter was executed pursuant to previous authority granted to LAHD by the City Council and Mayor (C.F. No. 04-2646). On May 18, 2018, on behalf of McCadden Plaza, L.P. ("Borrower"), LAHD submitted a bond application to CDLAC requesting a \$25,000,000 bond allocation. A copy of the inducement letter was included as part of the bond application.

Per the Tax Equity and Fiscal Responsibility Act of 1982 ("TEFRA") requirements, on April 6, 2022, a TEFRA Resolution was approved by the City Council and the Mayor (C.F. No. 16-0345-S5). The TEFRA Resolution summarized that a public hearing was publicized, took place, and the hearing minutes were provided to the City Council and the Mayor. Evidence of the TEFRA process was supplied to CDLAC on June 18, 2018. On September 19, 2018, CDLAC awarded the \$25,000,000 bond allocation and required that the bond be issued by March 18, 2019. The bonds were issued on December 19, 2018. On March 16, 2022, the borrower applied through LAHD for supplemental bonds in the amount of \$2,800,000, which were awarded by CDLAC on June 15, 2022. The deadline for issuance of those bonds is December 12, 2022.

Labor Costs

Labor costs for the Project are subject to California prevailing wage requirements, and/or federal wage requirements under the Davis–Bacon Act of 1931 and Related Acts, as applicable.

Affordability Restrictions

Pursuant to the City’s Affordable Housing Bond Policies & Procedures (“AHBPP”) for Private Activity Bonds for Multifamily Rental Properties, approved September 24, 2019, the Project must provide long-term affordable housing in the City of Los Angeles. Therefore, in connection with the issuance of the tax-exempt bond(s), a Bond Regulatory Agreement was executed and recorded in the official records of the Los Angeles County Recorder’s Office. The Bond Regulatory Agreement included affordability restrictions throughout a term ending no sooner than the later of: 1) 15 years after the date on which 50% of the dwelling units are first occupied; 2) the date such bond(s) are paid in full; or, 3) the date on which any Section 8 assistance terminates, if applicable. In addition to the above, the bond award includes a CDLAC Resolution, which requires that the Project’s affordable housing units remain affordable for 55 years.

Additionally, on June 13, 2018, the Project was awarded an allocation of 4% Low Income Housing Tax Credits (“LIHTC”) from the California Tax Credit Allocation Committee (“CTCAC”). The Bond Regulatory Agreement does not require amending as part of the supplemental tax-exempt bond issuance and will remain in force. As a result of this award, the project will have affordability restrictions for a term of 55 years. The CDLAC affordability restrictions mean that for at least 55 years at least 40% of the units have to be rented at or below 60% of the area median income.

At least 56 supportive and affordable housing units will be targeted toward low income and formerly homeless seniors, aged 62 years and older, at or below 50% of Area Median Income (“AMI”); At least 41 affordable units will be reserved for seniors whose income is at or below 60% AMI. Table 4, below, provides a summary of the project unit mix, pursuant to the CDLAC Resolution.

Financial Structure

The City, as Issuer, previously issued the bonds (“Bonds”), which were unenhanced and unrated but subject to the City’s AHBPP, in two or more series. The Bonds were purchased by Wells Fargo Bank, N.A. (“Bondowner”) (“Lender”). The Issuer made a loan of the sale proceeds of the Bonds to the Borrower in the amount of \$25,000,000 (“Construction Loan”), pursuant to the terms of a Loan Agreement among the Issuer, the Bondowner, and the Borrower. The Borrower executed a promissory note (“Note”) as evidence to repay the Loan. The Issuer assigned the Note to U.S Bank National Association (“Trustee”) acting under an Indenture of Trust (“Indenture”) among the City, Trustee, and Bondowner as security for the Bonds. Among its various functions, the Trustee received funds advanced by Bondowner in exchange for additional principal amount of the Bonds and release such funds to the Borrower for the Project construction. The Construction Loan had a term of 26 months. The tax-exempt Bond has an interest rate equal to the 30-Day London Inter-Bank Offered Rate (“LIBOR”) variable rate plus 1.65% basis points adjusted monthly (0.09%), with a LIBOR index floor rate of .025%; the current indicative rate is 1.90%. During the construction phase, the monthly payments are interest only and the loan shall mature in 26 months (with a possible six-month extension). The Construction Loan has been extended until March 1, 2023, and is now increasing by \$2,800,000 for a total loan amount of \$27,800,000. The additional \$2,800,000 represents the issuance of supplemental bonds referenced at the top of this document.

At conversion from construction financing to permanent financing, the Construction Loan will be paid down to \$11,500,000 Permanent tax-exempt loan (“Permanent Loan”) with sources available at the permanent financing phase, including investor equity. At the permanent financing phase, the California Community Reinvestment Corporation (CCRC) will become the new bond owner. The Permanent Loan will have a 40/18-year amortization schedule/term period at the fixed interest rate that was locked at construction closing; the current indicative rate is 5.36%.

The financing structure includes financing or loans from HCIDLA through the Proposition HHH Supportive Housing Loan Program (HHH) (C.F. No. 16-345-S5) in the amount of \$5,500,000 (C-132577) and \$4,930,158 (City Contract No. C-130714) in Community Development Block Grant (CDBG) funds through the Affordable Housing Managed Pipeline (AHMP) (C.F. No. 16-1091-S4); \$2,300,000 in funds from the Housing Emergency Assistance Program (HEAP) (C.F. No. 16-345-S7); \$25,000,000 from 4% federal tax credit equity and state tax credit equity through Wells Fargo Affordable Housing Community Development Corporation; funds in the amount of \$1,000,000 through the California Housing Finance Agency (CalHFA) and the Los Angeles County Department of Mental Health (DMH) to come in at conversion to permanent financing; \$2,100,000 from the City of West Hollywood; \$1,215,000 from Federal Home Loan Bank’s (FHLB) Affordable Housing Program (AHP), and \$2,950,000 from the Community Development Commission of the County of the Los Angeles (LACDC). In addition, the Project will be receiving rental subsidy from the Housing Authority of the City of Los Angeles (HACLA) in the form of 25 Project-Based Vouchers (PBV).

LAHD requires that the Lender meet the City’s Responsible Banking Ordinance #182138 reporting requirements. At closing, bond counsel will provide the required legal opinions as to the tax-exempt status of the interest on the Bond, under federal and state law. The legal and financing documents will include language that establishes the bond structure as a limited obligation and strictly payable from Project revenues. The Project financing complies with both the City’s AHBPP and Financial Policies. Additionally, the legal and financing documents will require the Borrower to provide annual statements and information as requested by LAHD.

LAHD’s Bond Team for the financing of the Project is as follows:

Bond Issuer Municipal Advisor:	CSG Advisors, Inc. 315 W. 5 th Street, Suite 302 Los Angeles, CA 90013
Bond Issuer Counsel:	Los Angeles City Attorney 200 N. Spring Street, 21st Floor Los Angeles, CA 90012
Bond Counsel:	Kutak Rock LLP 777 S. Figueroa Street, Suite 4550 Los Angeles, CA 90017

FISCAL IMPACT

There is no fiscal impact to the General Fund as a result of the re-issuance of the bond(s). The City is a conduit issuer and will not incur liability for repayment of the bond(s). The bond(s) is a limited obligation, payable strictly from revenue derived from the Project. The City will not be obligated to make payments on the bond(s).

Whenever the Bond shall be surrendered for transfer, the City shall execute and the Trustee shall authenticate and deliver a new, fully registered Bond.

(b) The following shall apply to all transfers of the Bond after the initial delivery of the Bond:

(i) the Bond, in the form attached hereto as Exhibit A, shall be a physical certificated instrument, and shall not be held in a book-entry only system unless approved in advance in writing by the City in its sole discretion;

(ii) the Bond shall be transferred only in whole and only to (A) an entity that qualifies as a Sophisticated Investor, which must execute and deliver the form of Investor Letter attached hereto as Exhibit B; or (B) a special purpose entity, a trust or

custodial arrangement established by Wells Fargo Bank, N.A. or an Affiliate thereof with respect to which either (1) the Bondowner Representative or an Affiliate thereof, as transferor, represents in writing to the Trustee that all of the beneficial owners of which are QIBs or (2) the Bondowner Representative or an Affiliate thereof, as transferor, represents in writing to the Trustee that all of the interests in such trust or arrangement (other than residual interests retained by QIBs) are rated in the “A” category or higher by a Rating Agency provided, however, that a single QIB shall at all times hold a controlling interest in the residual interests and such trust or arrangement shall be controlled by the Bondowner Representative or an Affiliate thereof. There shall be no option to transfer the Bond to a trust or similar arrangement pursuant to the provisions set forth in clause (B) above where: (1) any of the interests (other than a residual interest held by a QIB) are not rated in the “A” category or higher by a Rating Agency; or (2) the transferor is a party other than the Lender, which must execute and deliver the form of Investor Letter attached hereto as Exhibit B;

(iii) each transferee of the Bond shall deliver to the City and the Trustee an Investor Letter in the form of Exhibit B hereto, wherein the transferee agrees, among other matters, not to sell participating interests in the Bond (other than as permitted in clause (B) of the immediately preceding subparagraph (ii)) without the prior written consent of the City. A purchaser shall execute and deliver such an Investor Letter in connection with its initial purchase of the Bond;

(iv) if the transferee is an “Commercial Bank” as defined in the Responsible Banking Ordinance, upon delivery to the City of an executed Responsible Banking Ordinance Certificate in the form of Exhibit D hereto; and

(c) The Trustee shall require the payment by the Bondholder requesting any such transfer of any tax, fee or other governmental charge required to be paid with respect to such transfer, but any such transfer shall otherwise be made without charge to the Bondholder requesting the same. The cost of printing any Bond and any services rendered or any expenses incurred by the Trustee in connection therewith shall be paid by the Borrower.

(d) The Bondowner Representative and Trustee shall not transfer the Bond without prior written approval by the City; provided that the City agrees that it shall not unreasonably or arbitrarily withhold such approval with respect to a transfer that (1) complies with the requirements of subparagraphs (b)(ii) and (b)(iii), above, and (2) is made by the Bondowner Representative in order to comply with capital requirements or constraints, overall asset disposition strategies or regulatory requirements applicable to the Bondowner Representative as certified to the City in writing and that, with respect to any such requested transfer, the City will provide its consent or specify its reasons for withholding its consent within 10 days of receipt by the City and the Trustee of the items specified in (b)(ii) and (b)(iii) above and the written certification referenced in this sentence. If the City fails to respond within such 10-day period, the City’s consent shall be deemed granted. Notwithstanding anything to the contrary herein, the City’s consent to a transfer of the Bond shall not be required with respect to any transfer to a subsidiary or Affiliate of the then existing Bondowner which transfer otherwise

The Bondowner Representative shall indemnify and defend the City, and the officers, directors, employees, attorneys and agents of the City against any claim brought by any transferor or transferee of the Bond in respect of the Bond, this Indenture or any of the Loan Documents in the event that there occurs a transfer of the Bond that is not permitted pursuant to this Section 2.05. Failure to comply with Section 2.05(b) shall cause any purported transfer to be null and void.

Section 2.06. Bond Register. The City hereby appoints the Trustee as registrar and authenticating agent for the Bond. The Trustee will keep or cause to be kept at its Principal Office sufficient books for the registration, notation of principal and transfer of the Bond, which shall at all reasonable times upon reasonable notice be open to inspection by the City and the Borrower; and, upon presentation for such purpose, the Trustee as registrar shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, the Bond as hereinbefore provided.

The ownership of the registered Bond shall be proved by the bond registration books held by the Trustee. The Trustee and the City may conclusively assume that such ownership continues until written notice to the contrary is served upon the Trustee. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of the Bond held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

Any request, consent, or other instrument or writing of the Holder of any Bond shall bind every future Holder of the Bond and the Holder of every Bond issued in exchange thereof or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the City in accordance therewith or reliance thereon.

ARTICLE III

Section 3.01. Authentication and Delivery of the Bond. Upon the execution and delivery of this Indenture, the City shall execute the Bond and deliver it to the Trustee. Upon satisfaction of the conditions set forth in this Section, and without any further action on the part of the City, the Trustee shall authenticate the Bond in a principal amount not exceeding the Authorized Amount, and shall deliver the Bond pursuant to a Written Order of the City. Prior to the authentication and delivery of the Bond by the Trustee, the initial owner of the Bond shall have executed and delivered to the Trustee the form of Investor Letter attached hereto as Exhibit B and there shall have been delivered to the Trustee each of the following:

- (i) a Certified Resolution authorizing issuance and sale of the Bond and execution and delivery by the City of the Indenture, the Loan Agreement and the Regulatory Agreement;
- (ii) original executed counterparts of this Indenture, the Loan Agreement, the Deed of Trust, the Regulatory Agreement and all of the other Loan Documents (as defined in the Loan Agreement), all in form and content satisfactory to the Bondowner Representative (as evidenced by the authentication and delivery of the Bond to the Bondowner Representative and acceptance thereof), and the original executed Note;

(iii) a Written Order of the City to the Trustee to authenticate and deliver the Bond as directed in such Written Order, upon payment of the Initial Disbursement by the Bondowner Representative and transfer thereof to the Trustee, for credit to Bond Proceeds Account of the Construction Fund, as applicable, and immediate disbursement into escrow with Chicago Title Company as directed by the City;

(iv) evidence satisfactory to the City of arrangements to pay all costs associated with the issuance and sale of the Bond;

Section 3.02. Application of Proceeds of Bond/Draw Down Provisions. The Initial Disbursement and subsequent disbursements of the proceeds received from the sale of the Bond shall be made in accordance with Section 3.03 of this Indenture. The Bondowner Representative shall fund the purchase price of the Bond from time to time by funding advances under the Loan pursuant to the Loan Agreement. Amounts funded in such manner shall be deposited by the Bondowner Representative with the Trustee and shall be deposited into the Bond Proceeds Account of the Construction Fund in accordance with Section 3.03(a) of this Indenture. The Trustee shall note such amount in its records, and the Trustee's records, absent manifest error, shall be dispositive of the amount Outstanding. Such amounts shall constitute the Disbursed Amount, and shall begin to accrue interest, only upon disbursement by the Bondowner Representative to the Trustee for deposit in the Construction Fund. Notwithstanding anything herein to the contrary, the purchase price of the Bond funded by the Bondowner Representative may not exceed \$[PRINCIPAL AMOUNT] (and the Trustee shall not record any advances which would cause the principal amount of the Bond to exceed such amount). In no event may additional amounts be funded after December 31, 2025.

Section 3.03. Disbursement of Bond Proceeds; Establishment of Construction Fund. There is hereby created and established with the Trustee a separate fund which shall be designated the "Construction Fund," which fund shall be applied only as provided in this Section. Within the Construction Fund there shall be created a Bond Proceeds Account and an Equity Account to be held by the Trustee. The Initial Disbursement on the Closing Date shall be disbursed by the Bondowner Representative pursuant to the Loan Agreement and deposited with the Trustee to the Bond Proceeds Account of the Construction Fund for payment to or upon the order of the Borrower to pay Qualified Project Costs.

(a) The Bondowner Representative shall fund the Loan from time to time in accordance with the Loan Agreement. Each advance of the Loan shall be treated as a concurrent funding of Bondowner Representative's purchase of a further drawdown of the Bond. The Bondowner Representative shall deposit the proceeds of each drawdown on the Bond with the Trustee for deposit into the Bond Proceeds Account of the Construction Fund. The Trustee shall deposit moneys received from or on behalf of the Borrower to the Equity Account of the Construction Fund. Funds on deposit in the Construction Fund, and any interest earnings thereon, shall be transferred by the Trustee to the Borrower (or, at the direction of the Bondowner Representative, to such contractors or subcontractors as specified in writing to the

Trustee by the Lender) (i) for the payment of Project Costs (as defined in the Regulatory Agreement); (ii) as provided in first sentence of the next subsection, interest on the Bond when due; and (iii) in the case of funds held in the Equity Account, for such other purposes requested by the Borrower.

(b) The Trustee shall disburse to the registered owner of the Bond, the accrued interest on the Bond when due, upon the receipt of a written request from the Bondowner Representative stating the amount of such interest, without the need for the consent of, but with delivery of a copy of such written request to, the Borrower and the City. The City hereby authorizes and directs the disbursement by the Trustee of the amounts deposited in the Construction Fund in accordance with this Indenture to or upon the order of the Borrower (or, at the direction of the Bondowner Representative, to such contractors or subcontractors as specified in writing to the Trustee by the Lender) from time to time upon receipt by the Trustee of a written request of the Borrower, accompanied by a disbursement request in the form attached hereto as Exhibit C, and a determination of the Bondowner Representative that the conditions to disbursement contained in the Loan Agreement have been satisfied or waived. Except as provided in the first sentence of this Section 3.03(b), the City's acknowledgement of each disbursement shall be required. The City agrees, however, that if the City has not acknowledged any disbursement within five Business Days of receipt of a request for acknowledgment of such disbursement, the City shall be deemed to have acknowledged such disbursement.

(c) The Trustee shall maintain, or cause to be maintained, complete and accurate records regarding the disbursement of the proceeds of the Bond in accordance with Section 3.02 and this Section 3.03 hereof, and shall provide copies thereof to the City and the Borrower upon their written request. Additionally, the Trustee shall provide the City with a monthly statement regarding activity in each of the funds and accounts created under this Indenture, including the Construction Fund and the Bond Fund in the immediately preceding month.

(d) The Trustee, the Bondowner Representative and the City shall not be responsible for the application by the Borrower of moneys disbursed to the Borrower in accordance with this Section 3.03.

(e) Following receipt of a Construction Completion Certificate (as defined in the Regulatory Agreement) from the Borrower, the Trustee shall transfer any amounts remaining in the Construction Fund to the Bond Fund. Upon such transfer the Construction Fund shall be closed.

If an Event of Default under and as defined in the Loan Agreement occurs and the maturity of the Bond is accelerated in accordance with Section 4.01(b) hereof, the Trustee will, to the extent necessary, use moneys in the Construction Fund and Bond Fund to make payments on the Bond.

Section 3.04. Costs of Issuance Fund. There is hereby created and established with the Trustee a separate fund which shall be designated the "Costs of Issuance Fund," which fund shall be applied only as provided in this Section. On the Closing Date, the Borrower shall, from its own funds, deposit with the Trustee the amount of \$[____], which amount the Trustee shall deposit in the Costs of Issuance Fund. Amounts in the Costs of Issuance Fund shall be paid by the Trustee on or after the Closing Date to: (a) the Trustee in the amount of \$[____] as the Trustee's acceptance fee and to pay

Trustee's counsel; and (b) the California Debt and Investment Advisory Commission ("CDIAC") in an amount not exceeding \$[_____] following receipt of an invoice therefor. Amounts remaining in the Costs of Issuance Fund 90 days after the Closing Date shall be returned to the Borrower and the Trustee shall close the Costs of Issuance Fund.

Section 3.05. City Annual Fee. The Trustee shall collect the City's Annual Fee from the Borrower when due from the Borrower and remit it to the City at the times specified in the Regulatory Agreement. The Trustee may establish a fund or account in its records to deposit and remit the Annual Fee to the City.

(b) The Bond shall be subject to mandatory redemption in whole upon the occurrence of an Event of Default under the Loan Agreement or any other of the Loan Documents (subject to all applicable notice and cure provisions contained therein), at the written direction of the Bondowner Representative, at a redemption price equal to the principal amount of the Bond then Outstanding, plus accrued interest thereon to the date of redemption, plus any applicable prepayment premium, as provided in the Note or the Loan Agreement.

The Bondowner Representative is hereby authorized and directed, and hereby agrees, to fix the date for any such redemption and to provide written notice thereof to the Trustee, and, if Revenues are available, to cause the Trustee to redeem the Bond so called on the date so fixed by the Bondowner

Representative. The Bondowner need not surrender its Bond in connection with any redemption of the Bond unless the Bond is redeemed in whole.

Section 4.02. No Notice of Redemption. No notice of redemption of the Bond need be given to the Bondowner by the Trustee, but the Bondowner Representative shall give notice of any redemption under Section 4.01(b) to the City at the same time such notice is given to the Trustee, provided such notice shall not be a condition precedent to any redemption and neither failure to give such notice nor any defect in such notice shall affect the validity of any redemption hereunder.

Section 4.03. Effect of Redemption. If moneys for payment of the redemption price of the Bond are being held by the Trustee, the Bond shall, on the redemption date selected by the Borrower or Bondowner Representative, as applicable, become due and payable at the redemption price specified herein, interest on the principal amount of the Bond so called for redemption shall cease to accrue, said principal amount of Bond shall cease to be entitled to any lien, benefit or security under this Indenture, and the holder of the Bond shall have no rights in respect thereof except to receive payment of the redemption price thereof and receive proceeds of exercise by the Trustee of rights and remedies under the Note, the Loan Agreement, the Deed of Trust and the other Loan Documents.

In the absence of such directions, the Trustee shall invest such moneys in Investment Securities described in clause (b) of the definition thereof. The Trustee shall have no liability or responsibility for any loss resulting from any investment made in accordance with this Section 5.03, except for those arising from the willful misconduct or fraud on the part of the Trustee.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bond (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of Section 148 of the Code). The Trustee shall have no duty to determine Fair Market Value or present value hereunder.

For the purpose of determining the amount in any fund or account, all Investment Securities credited to such fund or account shall be valued at the lower of cost or par (which shall be measured exclusive of accrued interest) after the first payment of interest following purchase.

Any interest, profit or loss on such investment of moneys in any fund or account shall be credited or charged to the respective funds or accounts from which such investments are made. Subject to the requirements of the Tax Certificate, the Trustee may sell or present for redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any

payment, and the Trustee shall not be liable or responsible for any loss resulting from such sale or redemption.

The Trustee may make any and all investments permitted under this Section 5.03 through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Trustee and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Investment Securities under this Section 5.03.

The City (and the Borrower by its execution of the Loan Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the City and the Borrower will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Borrower and the City (to the extent requested by it) periodic cash transaction statements which shall include detail for all investment transactions, if any, made by the Trustee hereunder.

Section 5.04. Enforcement of Obligations. Upon the occurrence of an Event of Default actually known to a Responsible Officer of the Bondowner Representative, the Bondowner Representative shall be entitled in its sole discretion to take all steps, actions and proceedings, or to direct the Trustee to take all steps and proceedings: (a) to enforce the terms, covenants and conditions of, and preserve and protect the priority of its interest in and under, the Loan Agreement, Regulatory Agreement and the Deed of Trust, and (b) to request compliance with all covenants, agreements and conditions on the part of the City contained in this Indenture with respect to the Revenues.

ARTICLE VI

COVENANTS OF THE CITY

Section 6.01. Payment of Principal and Interest. The City shall punctually pay, but only out of Revenues as herein provided, the principal and the interest (and premium, if any) to become due in respect of the Bond issued hereunder at the times and places and in the manner provided herein and in the Bond, according to the true intent and meaning thereof. When and as paid in full, the Bond shall be delivered to the Trustee and shall forthwith be destroyed.

Section 6.02. Preservation of Revenues; Amendment of Documents. The City shall not take any action to interfere with or impair the pledge and assignment hereunder of Revenues and the assignment to the Trustee, of rights of the City under the Loan Agreement and the Deed of Trust and other collateral documents, or the Trustee's or the Bondowner Representative's enforcement of any rights hereunder or thereunder, shall not take any action to impair the validity or enforceability of the Loan Agreement or the Deed of Trust and other collateral documents, and shall not waive any of its rights under or any other provision of or permit any amendment of the Loan Agreement or the Deed of Trust and other collateral documents, without the prior written consent of the Bondowner Representative.

Section 6.03. Compliance With Indenture. The City shall not issue, or permit to be issued, any Bond secured or payable in any manner out of Revenues other than in accordance with the provisions of this Indenture; it being understood that the City reserves the right to issue obligations payable from and secured by sources other than the Revenues and the assets assigned herein. The City shall faithfully observe and perform all the covenants, conditions and requirements hereof. So long as

the Bond is Outstanding, the City shall not create any pledge, lien or charge of any type whatsoever upon all or any part of the Revenues, other than the lien of this Indenture.

Section 6.04. Further Assurances. Whenever and so often as requested so to do by the Bondowner Representative, the City, at the expense of the Borrower, shall promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Bondowner Representative and the Bondholders all of the rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Indenture and to perfect and maintain as perfected such rights, interests, powers, benefits, privileges and advantages.

Section 6.05. No Arbitrage. The City shall not take, nor knowingly permit nor suffer to be taken by the Trustee or otherwise, any action with respect to the gross proceeds of the Bond which would cause the Bond to be an “arbitrage bond” within the meaning of Section 148(a) of the Code and Regulations promulgated thereunder. The City will, additionally, comply with its obligations under and pursuant to the Tax Certificate.

Section 6.06. Limitation of Expenditure of Proceeds. To the best knowledge of the City, and based upon the Borrower’s representations in the Borrower Cost Certificate dated the Closing Date, not less than 97% of the face amount of the Bond, plus premium (if any) paid on the purchase of the Bond by the original purchaser thereof from the City, less original issue discount, will be used for Qualified Project Costs and less than 25% of such amount will be used for land or an interest in land.

Section 6.07. Rebate of Excess Investment Earnings to United States. The Rebate Fund shall be established by the Trustee and held and applied as provided in this Section. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the United States Government, and neither the City, the Borrower nor the Bondholders shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate. The Trustee shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the City, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the City, Bond Counsel or the Rebate Analyst.

Within 55 days of the end of each fifth Bond Year and within 55 days of payment in full of the Bond, the Trustee shall request and the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Rebate Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Rebate Regulations (the “Rebatable Arbitrage”).

Within 55 days of the end of each fifth Bond Year and within 55 days of payment in full of the Bond, upon the written direction of the City, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Trustee from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Trustee shall pay, as directed by the City, Bond Counsel or the Rebate Analyst, to the United States Treasury, out of amounts in the Rebate Fund:

(i) Not later than 60 days after the end of (A) the fifth Bond Year, and (B) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(ii) Not later than 60 days after the payment of the Bond in full, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this Section shall be made to the Internal Revenue Service Center at the address provided in such direction on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be prepared by the Rebate Analyst and provided to the Trustee.

Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States and to comply with all other requirements of this Section 6.07, [Sections 11.39 and 11.45 of the Loan Agreement], the requirements of the Regulatory Agreement and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Bond.

Any funds remaining in the Rebate Fund after redemption and payment of all of the Bond and payment and satisfaction of any Rebate Requirement, or provision made therefor in accordance with the written direction of the City, the Rebate Analyst or Bond Counsel, shall be withdrawn and remitted to the Borrower.

The Trustee shall keep such records of the computations made pursuant to this Section 6.07 as are required under Section 148(f) of the Code to the extent furnished to the Trustee. The Borrower shall or shall cause the Rebate Analyst to provide to the City copies of all rebate computations made pursuant to this Section 6.07. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bond and the investments of earnings from those investments made by the Trustee as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the City nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an Opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bond, a copy of which shall be provided to the Trustee, at the expense of the Borrower.

Section 6.08. Limitation on Issuance Costs. To the best knowledge of the City, from the proceeds of the Bond received from the original purchaser thereof and investment earnings thereon, an amount not in excess of 2% of the face amount of the Bond will be used to pay for, or provide for the payment of, Issuance Costs.

Section 6.09. Federal Guarantee Prohibition. The City shall take no action if the result of the same would be to cause the Bond to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

Section 6.10. Prohibited Facilities. To the best knowledge of the City, no portion of the proceeds of the Bond will be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. To the best knowledge of the City, no portion of the proceeds of the Bond will be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

Section 6.11. Use Covenant. The City shall not use any proceeds of the Bond or any other funds of the City, directly or indirectly, in any manner, and shall not take any other action or actions, which would result in the Bond being treated as an obligation not described in Section 142(d) of the Code by reason of the Bond not meeting the requirements of Section 142(d) of the Code.

Section 6.12. Immunities and Limitations of Responsibility of City. The City shall be entitled to the advice of counsel (who, except as otherwise provided, may be counsel for the Bondholder), and the City shall be wholly protected as to action taken or omitted in good faith in reliance on such advice. The City may rely conclusively on any communication or other document furnished to it hereunder and reasonably believed by it to be genuine. The City shall not be liable for any action (a) taken by it in good faith and reasonably believed by it to be within its discretion or powers hereunder, or (b) in good faith omitted to be taken by it because such action was reasonably believed to be beyond its discretion or powers hereunder, or (c) taken by it pursuant to any direction or instruction by which it is governed hereunder, or (d) omitted to be taken by it by reason of the lack of any direction or instruction required hereby for such action; nor shall it be responsible for the consequences of any error of judgment reasonably made by it. The City shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, and shall be liable only for its active negligence or willful misconduct. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The City shall not be required to take any remedial action (other than the giving of notice) unless indemnity in a form acceptable to the City is furnished for any expense or liability to be incurred in connection with such remedial action, other than liability for failure to meet the standards set forth in this Section. The City shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the highest rate at which interest accrues from time to time on the Bond, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the City may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power. The Borrower has indemnified the City against certain acts and events as set forth in [Sections 9.05, 11.38, 11.41, and 15.01 of the Loan Agreement] and Section 9 of the Regulatory Agreement. Such indemnities shall survive payment of the Bond and discharge of this Indenture.

Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the City and the Trustee may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the City or the Trustee or the Bondowner Representative as to the existence of any fact or state of affairs, (b) the City shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Bondowner Representatives, and (c) none of the provisions of this Indenture shall require the City or the Trustee to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action.

Section 6.13. No Recourse. No recourse under or upon any obligation, covenant or agreement contained in the Indenture or in the Bond shall be had against any member, officer, commissioner, director or employee (past, present or future) of the City, either directly or through the City or its governing body or otherwise, for the payment for or to the City or any receiver thereof, or for or to the Holder of the Bond issued hereunder, or otherwise, of any sum that may be due and unpaid by the City or its governing body upon the Bond. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director or employee, as such, to respond by reason of any act of omission on his/her part or otherwise, for the payment for or to the Holder of the Bond issued hereunder or otherwise of any sum that may remain due and unpaid upon the Bond hereby secured is, by the acceptance hereof, expressly waived and released as a condition of and in consideration for the execution of the Indenture and the issuance of the Bond.

Section 6.14. Limitation of Liability of City and Its Officers, Employees and Agents. No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bond, or under any judgment obtained against the City, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the City, as such, past, present or future of the City, either directly or through the City or otherwise, for the payment for or to the City or any receiver of the City, or for or to the owner of the Bond, or otherwise, of any sum that may be due and unpaid by the City upon the Bond. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owners of the Bond or otherwise of any sum that may remain due and unpaid upon the Bond secured by this Indenture or any of them is, by the acceptance of the Bond, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bond. Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the City may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the City by the Trustee, the Borrower, the Bondowner Representative or any Bondholder as to the existence of any fact or state of affairs, (b) the City shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee, the Bondowner Representative or by any Bondholder and (c) none of the provisions of this Indenture shall require the City to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately

indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Bond or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Bond shall be had against the Mayor, the City Council or any officer, member, agent or employee of the City, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Indenture and the issuance of the Bond. No covenant, stipulation, obligation or agreement of the City contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the City or the Mayor or the City Council in other than that person's official capacity. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bond or be subject to any personal liability or accountability by reason of the issuance of the Bond.

ARTICLE VII

DEFAULT

Section 7.01. Default Under Loan Agreement; Acceleration. No default by the Borrower under the Loan Agreement shall constitute an event of default with respect to the Bond. The City's, Trustee's, Borrower's and Bondowner Representative's remedies with respect to a default under the Loan Documents shall be as set forth under the Loan Documents. The Bondowner Representative may, upon the acceleration of the Borrower's obligations under the Loan Documents, direct the Trustee to accelerate the maturity of the Bond and apply any funds available hereunder for such purpose as provided herein (after paying the fees and expenses of the Trustee and the City). Any Bond remaining outstanding shall be deemed paid upon transfer, to or at the direction of the Bondowner Representative, of the Loan Documents and all security therefor free and clear of the lien of this Indenture.

The City shall cooperate with the Bondowner Representative and the Trustee in exercising rights and remedies under the Loan Documents, but only upon being satisfactorily indemnified by the Borrower for any fees or expenses relating thereto as provided in the Loan Agreement and Regulatory Agreement.

Section 7.02. Limitation of Liability to Revenues. Notwithstanding anything in this Indenture contained, the City shall not be required to advance any moneys derived from the proceeds of taxes collected by the City, by the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Revenues for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bond or for any other purpose of this Indenture. The Bond is a limited obligation of the City, and is payable from and secured by the Revenues and any other revenues, funds or assets pledged under this Indenture and not from any other revenues, funds or assets of the City.

ARTICLE VIII

THE TRUSTEE AND AGENTS

Section 8.01. Duties, Immunities and Liabilities of Trustee. In consideration of the recitals hereinabove set forth and for other valuable consideration, the City hereby agrees to employ

the Trustee (at the expense of the Borrower) to receive, hold, invest and disburse the moneys received pursuant to the Loan Agreement for credit to the various funds and accounts established by this Indenture; to authenticate, deliver and transfer the Bond; and to apply and disburse the payments received from the Borrower pursuant to the Loan Agreement to the owner of the Bond; and to perform certain other functions; all as herein provided and subject to the terms and conditions of this Indenture. The Trustee shall perform such duties and only such duties as are specifically set forth in this Indenture and no additional covenants or duties of the Trustee shall be implied in this Indenture. The Trustee is authorized and directed to enter into the Loan Documents to which it is a party, solely in its capacity as Trustee.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action or its own negligent failure to act, except that:

(a) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee conforming to the requirements of this Indenture;

(b) At all times (1) the Trustee shall not be liable for any act or omission unless the Trustee or its agent was negligent or engaged in willful misconduct; and (2) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the City, accompanied by an opinion of Bond Counsel as provided herein, or in accordance with the directions of the Bondowner Representative or in accordance with the directions of the holder of the Bond relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture;

(c) The Trustee shall not be required to take notice or be deemed to have notice of (i) any default hereunder or under the Loan Agreement, unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City, the Bondowner Representative or the owner of the Bond, or (ii) any default under the Regulatory Agreement unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City;

(d) Before taking any action under the Regulatory Agreement, Article VII hereof or this Section at the request or direction of the Bondholders or the Bondowner Representative, the Trustee may require that a satisfactory indemnity be furnished by the Bondholder, for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken;

(e) Upon any application or request by the City or the Bondowner Representative to the Trustee to take any action under any provision of this Indenture or the Regulatory Agreement, the City or Bondowner Representative, as applicable, shall furnish to the Trustee a certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that in the

opinion of such counsel all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished;

(f) The Trustee may execute any of the powers hereunder or perform any duties hereunder either directly or through agents or attorneys;

(g) Neither the City nor the Borrower shall be deemed to be agents of the Trustee for any purpose, and the Trustee shall not be liable for any noncompliance of any of them in connection with their respective duties hereunder or in connection with the transactions contemplated hereby;

(h) The Trustee shall be entitled to rely upon telephonic notice for all purposes whatsoever so long as the Trustee reasonably believes such telephonic notice has been given by a person authorized to give such notice;

(i) The immunities extended to the Trustee also extend to its directors, officers and employees;

(j) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bond, it being the sole obligation of the Trustee to administer, for the benefit of the Bondholder, the various funds and accounts established hereunder;

(k) No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy;

(l) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the holder of the Bond or the Bondowner Representative related to the exercise of any right, power or remedy available to the Trustee;

(m) The Trustee shall have no duty to review any financial statements or budgets filed with it by the Borrower under the Loan Agreement;

(n) The Trustee acknowledges that the Borrower has an obligation to pay certain fees to the City pursuant to Section 7 of the Regulatory Agreement. The Trustee further acknowledges that in order to preserve the tax-exempt status of interest on the Bond, the Borrower must comply with requirements for rebate of excess investment earnings to the federal government to the extent applicable. The Trustee agrees to use commercially reasonable efforts to send the Borrower a notification or reminder of: (1) its payment obligations under said Section 7(n) of the Regulatory Agreement 30 days preceding each semiannual payment date therefor, commencing with the payment date on June 1, 2019, and ending on the earlier of the date set forth in the Regulatory Agreement; and (2) the Borrower's obligation to make payments to the Rebate Fund as provided herein; and

(o) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a

government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties as Trustee or in the exercise of any of its rights or powers as Trustee. Whether or not therein expressly so provided, every provision of this Indenture, the Loan Agreement, the Regulatory Agreement or any other document relating to the conduct, powers or duties of, or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Article VIII.

Section 8.02. Right of Trustee To Rely Upon Documents, Etc. Except as otherwise provided in Section 8.01:

(a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, facsimile transmission, electronic mail, demand, direction, election, requisition, bond or other paper or document reasonably believed by it to be genuine and to have been signed and presented by the proper party or parties;

(b) Any consent, demand, direction, election, notice, order or request of the City mentioned herein shall be sufficiently evidenced by a Written Consent, Written Demand, Written Direction, Written Election, Written Notice, Written Order or Written Request of the City, and any resolution of the City may be evidenced to the Trustee by a Certified Resolution;

(c) The Trustee may consult with counsel (who may be counsel for the City, counsel for the Trustee or Bond Counsel) and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel;

(d) Whenever in the administration of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the City or a certificate of the Bondowner Representative; and such Certificate of the City or a certificate of the Bondowner Representative shall, in the absence of negligence or bad faith on the part of the Trustee, be full warrant to the Trustee for any action taken or suffered by it under the provisions of this Indenture upon the faith thereof;

(e) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit; and

(f) The Trustee agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (i) subsequent to such facsimile transmission of written instructions and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (ii) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (iii) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person.

Section 8.03. Trustee Not Responsible for Recitals. The recitals contained herein and in the Bond shall be taken as the statements of the City, and the Trustee assumes no responsibility for the correctness of the same or for the correctness of the recitals in the Loan Agreement or the Regulatory Agreement. The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bond. The Trustee makes no representations as to the value or condition of any assets pledged or assigned as security for the Bond, or as to the right, title or interest of the City therein, or as to the security provided thereby or by this Indenture, the Loan Agreement or the Deed of Trust, or as to the compliance of the Project with the Act, or as to the tax-exempt status of the Bond, or as to the technical or financial feasibility of the Project, or as to the validity or sufficiency of this Indenture as an instrument of the City or of the Bond as an obligation of the City. The Trustee shall not be accountable for the use or application by the City of the Bond authenticated or delivered hereunder or of the use or application of the proceeds of such Bond by the City or the Borrower or their agents.

Section 8.04. Intervention by Trustee. The Trustee may intervene on behalf of the owners of the Bond in any judicial proceeding to which the City or Bondowner Representative is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the owner of the Bond and, subject to the provisions of Section 8.01(d), shall do so if requested in writing by the owner of the Bond or the Bondowner Representative.

Section 8.05. Moneys Received by Trustee To Be Held in Trust. All moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law or as otherwise provided herein. The Trustee shall be under no liability for interest on any moneys received by it hereunder except such as it may agree with the City to pay thereon.

Section 8.06. Compensation and Indemnification of Trustee, Bondowner Representative and Agents.

(a) The Bondowner Representative and the Trustee shall be entitled to receive compensation from the Borrower for their services as Bondowner Representative and Trustee, respectively, as provided in [Sections 3.03(g) and 3.03(h) of the Loan Agreement], and shall be indemnified by the Borrower as provided in [Sections 11.38 and 15.01 of the Loan Agreement]. The Bondowner Representative and the Trustee each acknowledges and agrees that, unless otherwise agreed to in writing by the City, the City shall not be responsible for the fees and expenses of the Bondowner Representative and the Trustee, and is providing no indemnification to the Bondowner Representative and the Trustee.

(b) If any property, other than cash, shall at any time be held by the Bondowner Representative or the Trustee subject to this Indenture, or any supplemental indenture, as

security for the Bond, the Bondowner Representative or the Trustee, if and to the extent authorized by a receivership, bankruptcy or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Indenture as such security for the Bond, shall be entitled to but not obligated to make advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The rights of the Bondowner Representative and the Trustee to compensation for services and to payment or reimbursement for expenses, disbursements, liabilities and advances shall have and each of the Bondowner Representative and Trustee is hereby granted a lien and a security interest prior to the Bond in respect of all property and funds held or collected by the Bondowner Representative or the Trustee as such, except funds held in trust by the Bondowner Representative or the Trustee for the benefit of the holders of a particular principal amount of the Bond, which amounts shall be held solely for the benefit of the Bondholder and used only for the payment of principal of and premium, if any, and interest on the Bond. The Bondowner Representative's and the Trustee's rights to immunities, indemnities and protection from liability hereunder and their rights to payment of their fees and expenses shall survive such Bondowner Representative's and the Trustee's resignation or removal and final payment of the Bond.

Section 8.07. Qualifications of Trustee. There shall at all times be a trustee hereunder, which shall be a corporation, banking association or trust company, in each case having trust powers, doing business and having a corporate trust office in California and shall:

(a) either (i) have a combined capital and surplus of at least \$50,000,000 and be subject to supervision or examination by federal or state authority or (ii) be a wholly owned subsidiary of a bank, trust company or bank holding company meeting on an aggregate basis the tests set out in clause (i); and

(b) be able to comply with the terms and conditions of this Indenture, including, without limitation, Sections 8.10 through 8.13 hereof, and to comply with the terms of the Loan Agreement applicable thereto.

If such corporation, banking association, or trust company publishes reports of conditions at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such corporation, banking association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.08(b) below.

Section 8.08. Removal, Resignation and Appointment of Successor Trustee.

(a) **Removal of Trustee.** The City may remove the Trustee at any time unless an Event of Default occurs and is then continuing, and shall remove the Trustee if at any time requested to do so by an instrument or concurrent instruments in writing signed by the holder of the Bond (or its attorney duly authorized in writing) or the Bondowner Representative or if at any time the Trustee shall cease to be eligible in accordance with Section 8.07 hereof, or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or any substantial portion thereof or affairs for the purpose of

rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee and thereupon the Borrower shall appoint a successor Trustee by an instrument in writing. Any successor Trustee appointed by the Borrower under this Section 8.08 shall be subject to the approval of the Bondowner Representative and the City, which approval shall not unreasonably be withheld or delayed.

(b) ***Resignation of Trustee.*** The Trustee may at any time resign by giving written notice of such resignation by first-class mail, postage prepaid, to the City and to the Bondholder. Upon receiving such notice of resignation, the Borrower shall appoint a successor Trustee by an instrument in writing with the written consent of the Bondowner Representative and the City. The Trustee shall not be relieved of its duties until such successor Trustee has accepted appointment.

(c) ***Appointment of Successor Trustee.*** Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon the acceptance of appointment of the successor Trustee; provided, however, that under any circumstances the successor Trustee shall be qualified as provided in subsection (a) of this Section. If no qualified successor Trustee shall have been appointed and have accepted appointment within 45 days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or the Bondholder may at the expense of the Borrower petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the City and its predecessor Trustee a written acceptance thereof, and to the predecessor Trustee an instrument indemnifying the predecessor Trustee for any costs or claims arising during the time the successor Trustee serves as Trustee hereunder, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the written request of the City or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance, including a quitclaim deed, and further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trust and conditions herein set forth. Upon request of the successor Trustee, the City shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the City shall mail or cause the successor Trustee to mail, by first-class mail, postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to the Bondholder at the address shown on the registration books. If the City fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the City.

Section 8.09. Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to the corporate trust business of the Trustee, shall be the

successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible under the provisions of the first sentence of Section 8.07.

Section 8.10. Nondiscrimination; Penalties. The Trustee shall not discriminate in its employment practices against any employee or applicant for employment because of the applicant's race, creed, religion, national origin or ancestry, sex, age, gender identity/expression, transgender status, sexual orientation or preference, marital status, color, physical disability, familial status and disability, mental condition or medical condition, including pregnancy, childbirth or related condition. All subcontracts awarded under this Indenture shall contain a like provision. This Indenture and all subagreements are subject to the provisions of Section 10.8.4 of the Los Angeles Administrative Code. The term "Contractors," as used in said Section 10.8.4, shall be deemed to be the Trustee.

Section 8.11. Compliance With Laws. The Trustee shall keep itself fully informed of the City's Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Indenture, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

Section 8.12. Drug-Free Workplace Policy. The Trustee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Trustee agrees that any violation of this prohibition by Trustee, its employees, agents or assigns will be deemed a material breach of this Indenture.

Section 8.13. Compliance with Americans with Disabilities Act. The Trustee shall be in full compliance with all federal and state laws, including those of the Americans with Disabilities Act, 42 U.S.C. 12101 et seq., and its implementing regulations and the American Disabilities Act Amendments Act (ADAAA) Pub. L. 110-325 and all subsequent amendments (the "ADA"). Under the ADA, the Trustee shall provide for reasonable accommodations to allow qualified individuals access to and participation in their programs, services and activities in accordance with the ADA. In addition, the Trustee shall not discriminate against individuals with disabilities nor against persons due to their relationship or association with a person with a disability. Any subcontract entered into by the Trustee, relating to this Indenture, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 8.14. Proprietary or Confidential Information of the City. The Trustee understands and agrees that, in the performance of the work or services under this Indenture or in contemplation thereof, the Trustee may have access to private or confidential information which may be owned or controlled by the City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the City. Trustee agrees that all information disclosed by the City to the Trustee shall be held in confidence and used only in performance of the Indenture. The Trustee shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

Section 8.15. Audit and Inspection of Records. The Trustee agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its work under this Indenture. The Trustee will permit the City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Indenture,

whether funded in whole or in part under this Indenture. The Trustee shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Indenture or until after final audit has been resolved, whichever is later. The State of California or any federal agency having an interest in the subject matter of this Indenture shall have the same rights conferred upon the City by this Section.

Section 8.16. Subcontracting. The Trustee is prohibited from subcontracting this Indenture or any part of it unless such subcontracting is first approved by the City in writing. Neither party shall, on the basis of this Indenture, contract on behalf of or in the name of the other party. A contract made in violation of this provision shall confer no rights on any party and shall be null and void.

Section 8.17. Paying Agents. The Trustee, with the written approval of the City and the Bondowner Representative, may appoint and at all times have one or more paying agents in such place or places as the Trustee may designate, for the payment of the principal of, and the interest (and premium, if any) on, the Bond. It shall be the duty of the Trustee to make such arrangements with any such paying agent as may be necessary and feasible to assure, to the extent of the moneys held by the Trustee for such payment, the availability of funds for the prompt payment of the principal of and interest and premium, if any, on the Bond presented at either place of payment. The paying agent initially appointed hereunder is the Trustee.

Section 8.18. Business Tax Registration Certificate. Subject to any exemption available to it, the Trustee represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Indenture, the Trustee shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it, subject to any exemption available to it, under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 8.19. Child Support Assignment Orders. This Indenture is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, the Trustee certifies that: (1) it will fully comply with all State and Federal employment reporting requirements applicable to Child Support Assignment Orders; (2) the principal owner(s) of the Trustee are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (3) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (4) it will maintain such compliance throughout the term of this Indenture. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Trustee to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Trustee to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Trustee under the terms of this Indenture, subjecting the Trustee to removal hereunder where such failure shall continue for more than 90 days after notice of such failure to the Trustee by the City. Any subcontract entered into by the Trustee relating to this Indenture, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Trustee to obtain compliance of its subcontractors shall constitute a default by the Trustee under the terms of this Indenture, subjecting the Trustee to removal hereunder where such failure shall continue for more than 90 days after notice of such failure to the Trustee by the City. The Trustee shall

comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Trustee hereby affirms that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of the Public Contract Code Section 7110.

Section 8.20. Nondiscrimination and Affirmative Action. The Trustee shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. Trustee shall not discriminate in its employment practices against any employee or applicant for employment denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Trustee shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Trustee shall also comply with all rules, regulations, and policies of the City's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Trustee relating to this Indenture, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Indenture. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 8.21. Disclosure of Border Wall Contracting Ordinance. The Trustee shall comply with Los Angeles Administrative Code Section 10.50 et seq., "Disclosure of Border Wall Contracting". The Issuer may declare a default under this Indenture if the Issuer determines that the Trustee failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in Los Angeles Administrative Code Section 10.50.1.

ARTICLE IX

MODIFICATION OF INDENTURE

Section 9.01. Modification of Indenture. The City and the Trustee, with the prior written consent of the Bondowner Representative, may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture. The Bondowner Representative may, if it so elects, direct the Trustee to join with the City in the execution of such supplemental indenture, unless such supplemental indenture affects the rights or obligations of the Borrower or any general partner or limited partner of the Borrower hereunder or

under the Loan Agreement or any other document, in which case the City, Trustee and Bondowner Representative may enter into such supplemental indenture only if the Bondowner Representative has received the Borrower's, or such general partner's or limited partner's, as applicable, written consent thereto.

Promptly after the execution by the City, the Trustee and the Bondowner Representative of any supplemental indenture pursuant to the provisions of this Section, if the Bondowner Representative is not the sole owner of the Bond then Outstanding, the Trustee shall give Bondholders, by first-class mail, a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Trustee to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 9.02. Effect of Supplemental Indenture. Upon the execution of any supplemental indenture pursuant to the provisions of this Article IX, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee, the Bondowner Representative and the holder of the Bond shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.03. Opinion of Counsel as to Supplemental Indenture. Subject to the provisions of Section 8.01, the Trustee and the Bondowner Representative shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant to the provisions of this Article IX is authorized and permitted by this Indenture.

Section 9.04. Notation of Modification on Bond; Preparation of New Bond. A Bond authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article IX may bear a notation, in form approved by the Bondowner Representative and the City as to any matter provided for in such supplemental indenture, and if such supplemental indenture shall so provide, a new Bond, so modified as to conform, in the opinion of the Bondowner Representative and the City, to any modification of this Indenture contained in any such supplemental indenture, may be prepared and executed by the City and authenticated by the Trustee and delivered without cost to the holder of the Bond then Outstanding, upon surrender for cancellation of such Bond in equal aggregate principal amounts.

ARTICLE X

DEFEASANCE

Section 10.01. Discharge of Indenture. If the entire indebtedness on the Bond Outstanding shall be paid and discharged in any one or more of the following ways:

- (a) by the payment of the principal of (including redemption premium, if any) and interest on the Bond Outstanding; or
- (b) by the delivery to the Trustee, for cancellation by it, of the Bond Outstanding;

and if all other sums payable hereunder by the City shall be paid and discharged, then and in that case this Indenture shall cease, terminate and become null and void, and the Trustee shall forthwith execute proper instruments acknowledging satisfaction of and discharging this Indenture. The fees, expenses and charges of the Trustee (including reasonable counsel fees) must be paid in order to effect such discharge. The satisfaction and discharge of this Indenture shall be without prejudice to the rights of the Trustee to charge and be reimbursed by the Borrower for any expenditures which it may thereafter incur in connection herewith.

The City or the Borrower may at any time surrender to the Trustee for cancellation by it any Bond previously authenticated and delivered which the City or the Borrower lawfully may have acquired in any manner whatsoever, and such Bond upon such surrender and cancellation shall be deemed to be paid and retired.

Section 10.02. Payment of Bond after Discharge of Indenture. Notwithstanding any provisions of this Indenture, any moneys deposited with the Trustee or any paying agent in trust for the payment of the principal of, or interest or premium on, the Bond remaining unclaimed for two years after the principal of the Outstanding Bond has become due and payable (whether at maturity or upon call for redemption or by declaration as provided in this Indenture), shall then be paid to the Borrower, and the holder of such Bond shall thereafter be entitled to look only to the Borrower for payment thereof, and only to the extent of the amount so paid to the Borrower, and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease. In the event of the payment of any such moneys to the Borrower as aforesaid, the holder of the Bond in respect of which such moneys were deposited shall thereafter be deemed to be unsecured creditors of the Borrower for amounts equivalent to the respective amounts deposited for the payment of the Bond and so paid to the Borrower (without interest thereon).

ARTICLE XI

MISCELLANEOUS

Section 11.01. Successors of the City. All the covenants, stipulations, promises and agreements contained in this Indenture, by or on behalf of the City, shall bind and inure to the benefit of its successors and assigns, whether so expressed or not. If any of the powers or duties of the City shall hereafter be transferred by any law of the State of California, and if such transfer shall relate to any matter or thing permitted or required to be done under this Indenture by the City, then the body or official who shall succeed to such powers or duties shall act and be obligated in the place and stead of the City as in this Indenture provided.

Section 11.03. Waiver of Notice. Whenever in this Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to

receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 11.04. Destruction of the Bond. Whenever in this Indenture provision is made for the cancellation by the Trustee and the delivery to the City of the Bond, the Trustee may, in lieu of such cancellation and delivery, destroy the Bond and deliver a certificate of such destruction to the City.

Section 11.05. Separability of Invalid Provisions. In case any one or more of the provisions contained in this Indenture or in the Bond shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, but this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

The City, the Trustee, the Bondowner Representative and the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

Section 11.07. Authorized Representatives. Whenever under the provisions of this Indenture the approval of the City or the Borrower is required for any action, and whenever the City or the Borrower is required to deliver any notice or other writing, such approval or such notice or other writing shall be given, respectively, on behalf of the City by the Authorized City Representative or on behalf of the Borrower by the Authorized Borrower Representative, and the City, the Trustee, the Bondowner Representative and the Borrower shall be authorized to act on any such approval or notice or other writing and neither party hereto nor the Borrower shall have any complaint against the others as a result of any such action taken.

Section 11.08. Evidence of Rights of Bondholder. Any request, consent or other instrument required by this Indenture to be signed and executed by the Bondholder may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by the Bondholder in person or by agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the ownership of the Bond, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Bondowner Representative, the Trustee and of the City if made in the manner provided in this Section.

(a) The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

(b) The ownership of the Bond shall be proved by the Bond register maintained pursuant to Section 2.06 hereof. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of the Bond held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

(c) Any request, consent or vote of the holder of the Bond shall bind every future holder of the Bond and the holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Bondowner Representative, the Trustee or the City in pursuance of such request, consent or vote.

(d) [Reserved].

(e) In lieu of obtaining any demand, request, direction, consent or waiver in writing, the Trustee may call and hold a meeting with the Bondholder upon such notice and in accordance with such rules and regulations as the Bondowner Representative considers fair and reasonable for the purpose of obtaining any such action.

Section 11.09. Waiver of Personal Liability. No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bond, or under any judgment obtained against the City, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the City, as such, past, present or future of the City, either directly or through

the City or otherwise, for the payment for or to the City or any receiver of the City, or for or to the owners of the Bond, or otherwise, of any sum that may be due and unpaid by the City or its governing body upon the Bond. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or any such member, officer, agent or employee, as such, past, present or future of the City by reason of any act or omission on his or her part or otherwise, for the payment for or to the owners of the Bond or otherwise of any sum that may remain due and unpaid upon the Bond secured by this Indenture or any of them is, by the acceptance of the Bond, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bond. Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the City may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the City by the Trustee or the Bondholder as to the existence of any fact or state of affairs, (b) the City shall not be under any obligation under this Indenture to perform any recordkeeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Bondholder and (c) none of the provisions of this Indenture shall require the City to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Bond or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Bond shall be had against the Mayor, the City Council or any officer, member, agent or employee of the City, past, present or future, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Indenture and the issuance of the Bond. No covenant, stipulation, obligation or agreement of the City contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the City or the Mayor or the City Council in other than that person's official capacity. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bond or be subject to any personal liability or accountability by reason of the issuance of the Bond.

It is recognized that notwithstanding any other provision of this Indenture, neither the Borrower, the Trustee nor the Holder shall look to the Issuer for damages suffered by the Borrower, the Trustee or the Holder as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Bond or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason. Although this Indenture recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Indenture shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents which the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Trustee or any other person; provided, however, that as a condition precedent to the Issuer proceeding pursuant to this Section 11.09, the Issuer shall have received satisfactory indemnification.

Section 11.10. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, is not a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business

Day with the same force and effect as if done on the date provided therefor in this Indenture and, in the case of any payment, no interest shall accrue for the period from and after such date.

Section 11.11. Execution in Several Counterparts. This Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts shall together constitute but one and the same instrument.

Section 11.12. Governing Law, Venue. The formation, interpretation and performance of this Indenture shall be governed by the laws of the State of California. Venue for all litigation arising from or in connection with the Bond or this Indenture shall be in Los Angeles, California.

Section 11.13. Successors. Whenever in this Indenture either the City, the Trustee or the Bondowner Representative is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the City, the Trustee or the Bondowner Representative shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 11.14. Non-Waiver of Rights. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

Section 11.15 Responsible Banking Ordinance Filing. The Bondowner Representative shall file with the City Treasurer of the Issuer by July 1 of each year an annual statement of community reinvestment activities as required of a commercial bank under the Responsible Banking Ordinance. By its acceptance of the Bond, the Bondowner Representative represents that it has, prior to the Closing Date, filed the report due by July 1, 2022, under the Responsible Banking Ordinance for calendar year 2021.

Section 11.16 Recycling Transactions. Notwithstanding any provision of this Indenture or the Bond to the contrary, the City shall be permitted to direct payments of the Note prepayments to be transferred to a custodian or trustee selected by the City, in lieu of application to prepay a like portion of the Bond, so long as the City simultaneously causes other funds to be applied to prepay such portion of the Bond. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

Notwithstanding any provision of this Bond or the Indenture to the contrary, the City shall be permitted to direct Note prepayments to be transferred to a custodian or trustee selected by the

City, in lieu of application to prepay a like portion of this Bond, so long as the City simultaneously causes other funds to be applied to prepay such portion of this Bond. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

The Indenture contains provisions permitting the City, the Trustee and the Bondowner Representative to execute supplemental indentures adding provisions to, or changing or eliminating any of the provisions of, the Indenture, subject to the limitations set forth in the Indenture.

This Regulatory Agreement and all the terms and provisions hereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section 1, notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

Section 2. Acquisition, Construction and Equipping of the Project. The Borrower hereby represents as of the date hereof, covenants and agrees with the City and the Trustee as follows:

(a) The Borrower has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the acquisition, construction and equipping of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Bond.

(b) The Borrower’s reasonable expectations respecting the total cost of the acquisition, construction and equipping of the Project are accurately set forth in the Borrower Cost Certificate (the “Borrower Cost Certificate”) submitted to the City on the Closing Date.

(c) The Borrower has acquired the Project Site and will, within six months following the Bond Closing Date, commence the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute “Qualified Project Costs” unless, at the time Bond proceeds are expended to pay such costs, the Borrower and the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition, construction and equipping of the Project

and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Bond proceeds pursuant to the Indenture and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Bond proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Trustee with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Bond will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Bond expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Bond will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Bond proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any related person (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Bond to be applied in a manner contrary to the Indenture, the Loan Agreement, the Law, the Act or the Code.

(h) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Trustee and the City,

signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist. The Construction Completion Certificate shall be delivered to the Trustee no later than the date 36 months from the Closing Date unless the Borrower delivers to the Trustee a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Bond being included in gross income for federal income tax purposes.

(i) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Bond proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Bond proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any related person (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation 1.103-8(a)(1)) so that the amount of Bond proceeds expended on such Qualified Project Costs is at least 97% of the amount of Bond proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Trustee and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(j) No Bond proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Section 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units that are required to be leased or rented to Low Income Tenants and persons 62 years of age and older, (2) to the extent not otherwise inconsistent with the requirements of Section 3(e), the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law, and (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I. While the Borrower may market units to and target unit occupancy by individuals residing in certain geographic areas, the Borrower shall not deny occupancy to an applicant for a dwelling unit solely based upon such applicant's failure to be a member of such specified group.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, and subject to the provisions of the Indenture and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after the date on which 50% of the dwelling units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing and Community Investment Department, Occupancy Monitoring Section, 1200 West 7th Street, 8th Floor, Los Angeles, CA 90017), and a copy to CDLAC and the Trustee a Certificate of Qualified Project Period.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the

character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of subsection (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each June and December until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Trustee, no later than the fifteenth day of each month following the receipt by the Trustee of the Construction Completion Certificate to and including the month in which such report indicates that 40% of the occupied units (excluding units occupied by managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each June and December until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 98 units including 1 manager unit of which at least 55 qualified residential units shall be rented or held vacant for rental for persons or families whose income is at or below 50% of the area median income and at least 42 qualified residential units shall be rented or held vacant for rental for persons or families whose income is at or below 60% of the area median income as shown in the chart below:

Unit Type	Units at 30% AMI	Units at 50% AMI	Units at 60% AMI	Un-restricted (Manager's Unit)	Total Number of Units
Studio	5	7	7	-	19
One Bedroom	19	22	34	-	75
Two Bedroom	1	2	-	1	4
Total	25	31	41	1	98

Section 5. Tax-exempt Status of the Bond. The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Bond from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Bond and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Bond becomes taxable to a person solely because such person is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Bond being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have

no obligation to monitor such transferee's compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Bond in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, all provisions in the Health and Safety Code of the State of California applicable to "affordable housing units" as defined therein and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than 40% of the total number of units in the Project (excluding units occupied by managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5 and the Borrower shall provide to the California Debt and Investment Advisory Commission the annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Bond is no longer outstanding or the proceeds of the Bond have been fully spent.

(d) No portion of the Bond shall be used to finance the acquisition, construction, equipping, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the United States Housing Act of 1937, as amended, that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Bond, deed

in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of the City. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Bond as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age, (except restrictions upon occupancy of units to tenants aged 62 years of age and older), sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect thereto from the Borrower or the City; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction or rehabilitation work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) the general prevailing rate of per diem wages (“Prevailing Wages”) as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis–Bacon Act under 40 U.S.C.S. 3141–3148 and implementing regulations (“Davis-Bacon Wages”), if applicable; and (iii) the “Living Wage” as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the City’s prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable HCIDLA-approved program. The fee for the LCP Tracker, or comparable HCIDLA-approved program, will be in the amount equal to Three One-Hundredths Percent (0.03%) of the total construction cost, which fee shall be paid in full to the City within 30 days of execution of this Agreement.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant’s Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to all Low Income Tenants at the Project, the City, the Housing Authority of the City of Los Angeles (“HACLA”) and the California Department of Housing and Community Development (“HCD”) as follows (see also California Government Code Sections 65863.10 and 65863.11):

(i) Upon initial move-in/lease execution, Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be for a term ending at the expiration of the Qualified Project Period. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at a market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development and the Los Angeles Housing and Community Investment Department.

(iii) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development and the Los Angeles Housing and Community Investment Department.

(iv) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels.

Unless the Borrower meets the requirements of California Government Code 65863.13, pursuant to California Government Code 65863.11, prior or concurrent with the twelve month notice referenced above in (ii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly. The notice shall conform to the requirements of California Government Code 65863.11(h) and shall be sent to the entities by registered or certified, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Closing Date, pay to the City its initial fee and thereafter pay to the City its ongoing fees with respect to the issuance of the Bond as follows. The Borrower shall pay the City an initial fee immediately upon issuance of

the 2018 Bond equal to \$62,500 (.25% of the aggregate maximum principal amount of the 2018 Bond issuable under the 2018 Indenture (\$25,000,000)) and the Borrower shall pay the City an initial fee immediately upon issuance of the 2022 Bond equal to \$[] (.25% of the aggregate maximum principal amount of the 2022 Bond issuable under the 2022 Indenture (\$[2022 BOND PRINCIPAL AMOUNT])). In addition, the Borrower shall, as compensation for the City's monitoring of the provisions of this Regulatory Agreement, pay to the City, semiannually in arrears, prorated for the initial payment, on the first day of each June and December commencing June 1, 2019: (i) for the period from the date of issuance of the Bond through the end of the Qualified Project Period, prorated for the initial and any subsequent partial period, a semiannual amount equal to the greater of: (A) during the period from the Closing Date to the Conversion Date, \$1,250 or one-half of 0.125% of the maximum principal amount of Bond issuable under the Indenture (\$25,000,000 + 2022 BOND PRINCIPAL AMOUNT); and (B) from and after the Conversion Date, \$1,500 or one half of 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Conversion Date; or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes. Throughout the term of this Agreement, the Trustee, or the City, as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the City) and shall collect such payments from the Borrower and immediately remit such funds to the City. In the event of any prepayment of the Bond in whole, prior to the end of the Qualified Project Period, the Borrower, at its election, shall either: (A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable hereunder, as calculated by the City, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the end of the Qualified Project Period, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes; or (B) enter into a trustee agreement with a corporate trustee acceptable to the City requiring the trustee appointed thereunder to bill and collect from the Borrower and to pay to the City on an annual basis, in arrears on or before each December 1, the annual fee described above. The Borrower shall bear the cost of such trustee through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding sentences if the Bond is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to the greater of: (i) \$5,000; or (ii) 0.125% of the permanent principal amount of the Bond, plus any expenses incurred by the City, including, without limitation, Bond Counsel, City attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Bond. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Trustee shall report to the City in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Bond outstanding as of such June 30 or December 31, as appropriate.

(r) [Reserved].

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower, any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an "Owner/Developer"); (ii) any Immediate Family Member of an Owner/Developer ("Immediate Family Members" consists of: (A) spouses; (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister-in-law and mother/father-in-law and son/daughter-in-law or (F) significant other or domestic partner); or (iii) any elected official or his or her spouse/partner, who participated in the deliberative process, vote or consideration of legislative action regarding the issuance of the Bond or other loan in support of the Project.

(u) The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Bond or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/ per unit.

(v) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify the City as the source of the financing provided for the Project, without the prior written approval of the City (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the City as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

Any of the foregoing requirements of the City may be expressly waived by the City in writing in the City's sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such

provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Trustee and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Bond, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Trustee and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Bond. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Trustee shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Trustee shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Trustee to execute an amendment to this Regulatory Agreement on behalf of the City.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the City and the Trustee and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the “Indemnified Parties”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Bond made or given to the City or the Trustee, or any underwriters or purchaser of the Bond, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Bond or the Tax-exempt status of interest on the Bond; (d) the failure or alleged failure of any person or entity (including Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project; or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Trustee, its negligence, fraud or willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Trustee from (i) any lien or charge upon payments by the Borrower to the City and the Trustee hereunder or under the Bond Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Trustee shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Trustee shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Trustee and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Bond or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Bond or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a

claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, or (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Trustee shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Trustee's own income and operations.

Section 10. Consideration. The City has issued the Bond to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and equip the Project. In consideration of the issuance of the Bond by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bond and in the exemption from federal income taxation and California personal income taxation of the interest on the Bond. In performing their duties and obligations hereunder, the City and the Trustee may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Trustee may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Trustee may, but shall not be required to, conduct any investigation

into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Trustee by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City. The Borrower hereby represents and warrants that the Project will be located entirely within the City.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects or (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and Trustee shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Bond, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by City, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with

the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Trustee's acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the interest of Borrower's limited partners shall, with prior written notice to the City, be transferable under this Regulatory Agreement to any affiliate of the limited partners of Borrower, without the consent of the City and/or Trustee but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14 shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided Section 33 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond, discharge of the Loan and termination of the Indenture and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Trustee, survive the term of this Regulatory Agreement or the replacement of the Trustee, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Trustee's tenure as Trustee under the Indenture, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the

provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Trustee from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Bond attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Trustee to the effect that the exclusion from gross income for federal income tax purposes of interest on the Bond will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any related party (within the meaning of Section 1.150-1(b) of the Regulations) or related person (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants To Run With the Land. The Borrower hereby subjects its interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Trustee, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the

Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bond was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an “Event of Default” to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Bond. The Trustee hereby consents to any correction of the default by the City on behalf of the Borrower. The City hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower’s limited partners on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to Borrower’s limited partners at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Trustee, as directed by the City and subject to the provisions of the Indenture relative to the Trustee’s duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Trustee hereunder;
- (b) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower’s default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to 40% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only

to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower or the Trustee has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Trustee or the City, of compliance with the requirements of Section 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Trustee for credit against payments due under the Loan Agreement. The Trustee shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Indenture, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Trustee shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Trustee incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Indenture has been discharged, the City may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Trustee. The Trustee shall act as specifically provided herein and in the Indenture. The Trustee is entering into this Regulatory Agreement solely in its capacity as trustee under the Indenture, and the duties, powers, rights and liabilities of the Trustee in acting hereunder shall be subject to the provisions of the Indenture.

The City shall be responsible for the monitoring and verifying of compliance by the Borrower with the terms of this Regulatory Agreement. The Trustee may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the City, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Bond remains outstanding as provided in the Indenture, the Trustee shall no longer have any duties or responsibilities under this Regulatory

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent.

Section 24. Severability. If any provision of this Regulatory Agreement or if the applicability of any such provision shall be invalid, illegal or unenforceable, the validity, legality, enforceability, or the applicability with respect to the validity, legality and enforceability, of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Trustee and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles. The Trustee and the Borrower shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner

status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee and the Borrower shall comply with Executive Order 11246, entitled “Equal Employment Opportunity”, as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Trustee and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower and Trustee shall also comply with all rules, regulations, and policies of the City of Los Angeles’ Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Borrower or Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Regulatory Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 27. Business Tax Registration Certificate. Subject to any exemption available to it, the Trustee and Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City’s Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Regulatory Agreement, the Trustee and the Borrower shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 28. Financial Obligations Personal to Borrower. The City acknowledges that the Project shall be encumbered by the Bond Documents. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an “owner” hereunder during its period of ownership.

Section 29. [Reserved].

Section 30. Child Support Assignment Orders. This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, each of the Borrower and the Trustee certifies that it will (a) fully comply with all State and federal employment reporting requirements applicable to Child Support Assignment Orders; (b) that the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) maintain such compliance throughout the term of this Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower or the Trustee to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower or the Trustee to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (i) the Borrower to the remedies provided herein and (ii) the Trustee to termination under the Indenture where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City. Any subcontract entered into by the Borrower or the Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Trustee to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Trustee to termination under the Indenture where such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City.

The Borrower and the Trustee shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower and the Trustee each assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of the Public Contract Code Section 7110.

Section 31. Americans with Disabilities Act. The Borrower and the Trustee each hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Requirements (as defined in Exhibit I). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of the ADA, the ADAAG, Section 504, the UFAS, the FHA (each as defined in Exhibit I) and all subsequent amendments. The Borrower and the Trustee each and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower or the Trustee, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

Section 32. Slavery Disclosure Ordinance. This Regulatory Agreement is subject to the Slavery Disclosure Ordinance, Section 10.41 of the Los Angeles Administrative Code, as it may be amended from time to time. The Borrower hereby agrees to execute and deliver a certificate in the form attached hereto as Exhibit H (or such other form as is required by the City) certifying that it has complied with the applicable provisions of this Ordinance. The Borrower acknowledges that failure to fully and accurately complete the affidavit may result in a default under this Regulatory Agreement.

Section 33. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and is attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 33 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(b) The Borrower acknowledges that the City shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the City in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions are the responsibility of the Borrower to report to the City.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the Qualified Project Period, a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year

period) until the end of the Qualified Project Period, a Self-Certification Certificate in the form provided by CDLAC.

(iii) Within 30 days following the completion of the Project, the Borrower will prepare and submit to the City, Trustee and CDLAC, a Construction Completion Certificate. Following the submission of the Construction Completion Certificate, the Borrower will prepare and submit to the City, not later than January 15 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least fifty percent (50%) of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the issuer of the Bond, (iii) any change in the name of the Project or the Project manager; (iv) any default under the Indenture, the Loan Agreement or this Regulatory Agreement; or (v) termination of this Regulatory Agreement.

(e) Any of the foregoing requirements of the CDLAC contained in this Section 33 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 33 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Code, the Act and the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 33 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Trustee or to cause the City or the Trustee to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Bondholders and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date at any time, that are not more

restrictive than the original CDLAC Conditions; provided however, that, with the prior written consent of the Bondholders, which will not be unreasonably withheld: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of Los Angeles County, California, of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee (“TCAC Regulatory Agreement”) shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by the Borrower and approved by CDLAC. The City may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County of Los Angeles. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

A list of CASps can be found at the following link: https://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx. The CASp cannot be the architect of record for the Project. The cost of CASp activities and certifications should be included in the application’s project budget.
- b. The Housing Development shall be constructed in accordance with the Accessibility Standards in Section 1 above to ensure accessibility for persons with disabilities. The Borrower must work with their CASp to ensure that the Housing Development complies with those Accessibility Standards.

- c. An accessibility report by a CASp inspector certifying that the Housing Development is in compliance with all applicable Accessibility Standards, as defined in Section 1, above, must be submitted to and approved by LAHD at the following phases of the Project development:
1. Accessibility Design Review Report and a pdf copy of the plans are due for review by LAHD when construction documents have been developed, and prior to the submission of plans to Los Angeles Building and Safety Department;
 2. The Accessibility Design Review Report must be approved by LAHD before building permits can be issued;
 3. Accessibility Progress Inspection Reports conducted after all rough inspections have been signed off by the Los Angeles Building and Safety Department and prior to closing of walls; and

- e. If the Development is to be rehabilitated, accessibility retrofits of the Housing Development shall take place concurrently with any Project rehabilitation in compliance with the Accessibility Standards, including federal accessibility standards.
- f. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. If an Accessible Unit is occupied by residents without disabilities, the Borrower shall require use of a lease addendum to require such residents to relocate to a vacant, non-accessible unit of comparable size, finishes, and amenities, at the same Development at the Development’s expense, within thirty (30) days of notice by the Borrower or Property Management Agent, or the minimum amount of notice required by state law, that there is an

eligible applicant or existing resident with a disability who requires the accessibility features of the unit.

- h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Hearing/Vision Features.

In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.
- j. While additional Accessible Housing Units may be provided, *i.e.*, up to twenty percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the target number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with HUD (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.
- k. The Accessible Units shall be affordable for households pursuant to the terms of the Loan Agreement and Regulatory Agreement, including any and all amendments, revisions, or modifications.
- l. The Project shall comply with the City's Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.
- m. The Borrower shall adopt and comply with the City's Fair Housing Policy Related to Disability, as amended.
- n. The Borrower and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City's Fair Housing for People with Disabilities workshops.

- p. Following reasonable notice to the Borrower, Borrower shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City's Fair Housing Policy Related to Disability.
- q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.
- r. The Borrower shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit ("Housing Unit with Hearing/Vision Features" or "Housing Unit with Mobility Features").

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City's Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

- a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;
- b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;
- c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;
- d. Fourth, the Borrower will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the AAHR; and
- e. Fifth, Borrower will offer the unit to qualified applicants who need the accessible features of the Accessible Unit and are registered with the AAHR.

- f. If there are no eligible current tenants or applicants in need of Accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://www.lahousing.lacity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the <http://www.lahousing.lacity.org> website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City's Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then the Borrower may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall adopt the City's rental policies that meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. The Borrower shall develop and utilize a Property Management Plan ("PMP"), approved by the City, which describes affirmative marketing, tenanting, and other procedures to ensure that the Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

- a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.
- b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the housing units in the Project, except to the extent that: (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above; (2) any Housing Units are required to be leased or rented to low income tenants or persons 62 years of age and older, (3) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, and (5) any preference the Borrower may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, the Borrower shall submit and the City shall review and approve a CASp Inspection Report of the Housing Development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect the construction and/or rehabilitation to verify that the legally required number of Accessible Units have been produced and that the necessary and required design elements have been constructed to

make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant's report.

The City will utilize the Housing Development's City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Indenture.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond.

Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD's Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of compliance, and providing a date by which the Borrower must comply. The Order shall give the Borrower not more than 30 days to correct the violation, or such additional time as the City may grant if the Borrower is

taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

- a. Inspection Fee for Non-Compliance. In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of LAHD. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with LAHD within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Borrower’s failure to pay in a timely manner.

- b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;
- c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;
- d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and
- e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 *et seq.*, the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 13. Governing Law. The Covenants shall be governed by the laws of the State of California.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the Covenants may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

Section 18. Conflicts. If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Bond Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

Section 19. Recording and Filing. The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve Borrower of any of the obligations specified herein.
