**Council File No:** 16-0566

**Comments for Public Posting:** I strongly disagree with this street vacation as NITHYA RAMAN never consulted our neighborhood committee despite her promise to forewarn us of any actions by her office. I find this unacceptable as I am a constituent who has been repeatedly and consistently ignored by her office.

## Communication from Public

**Comments for Public Posting:** Developers should not be given public land for their own personal enrichment. This is a terrible idea and I hope the city Council will not approve it. Thank you.
