Copy of file sent to Edmond Yew:

Around 1998 Alene S. Kornfeld of 2002 Pinehurst Road seized a portion of Hillcrest Way, fencing it off from public access and denying my access to Pinehurst Road. Mrs. Kornfeld would not acknowledge Hillcrest Way existed. Mrs. Kornfeld applied for a "Revocable Permit" but it was denied due to my complaints to the various city departments and she was ordered to remove the obstruction. See the attached document. Mrs. Kornfeld ignored this. For 14 years Mrs. Kornfeld has harassed my tree trimmers, myself and my son for attempting to use the right of way. At the suggestion of Michael Kaplan, Land Use Div. City Attorneys Office I wrote Mrs. Kornfeld, see attached letter, but there was no response.

This is an important safety issue because Hillcrest Road has only partial sidewalks and has become a major short cut in Hollywood. Speeders are rampant. I have attached photos of several single car accidents that have occurred. For my son's safety I must drive him to the bottom of the hill and pick him twice each day whereas if Hillcrest Way were opened he could safely ingress / egress down the hill away from traffic.

Additionally, Mrs. Kornfeld in her hubris cemented over the manhole cover for the neighborhood sewer access, which is in the path and should be removed in any case.

I do want to make it clear that I am only requesting the lower part of Hillcrest Way to remain open between 2002 Pinehurst, 1954 Pinehurst and 1973 Hillcrest Road as it would need to be for sewer access anyway. I do not have an issue with the vacation between 1977 Hillcrest Road (petitioner) and 2001 Hillcrest Road.

Respectfully, Lester Wisbrod 213 300-3081

Comments: Remove and relocate the fence and gate out of the public right of way within 30 days of Notice to Correct. Please note that a revocable permit is not applicable at this time because of requests from the neighborhood to keep the right of way open for access to Pinehurst Road.

Sincerely,

Homer M. Morimoto, District Engineer

Mrs. Kornfield,

I am requesting your cooperation in removing the fenced obstruction blocking the public right of way known as Hillcrest Way from access to Pinehurst Road. I would be satisfied with replacing it with a locking gate and providing my family with keys.

I now have a 12-year old child who cannot safely walk down Hillcrest Road because much of this street does not have sidewalks and the street has become a treacherous traffic short cut due to the Highland & Hollywood complex. See attached photos.

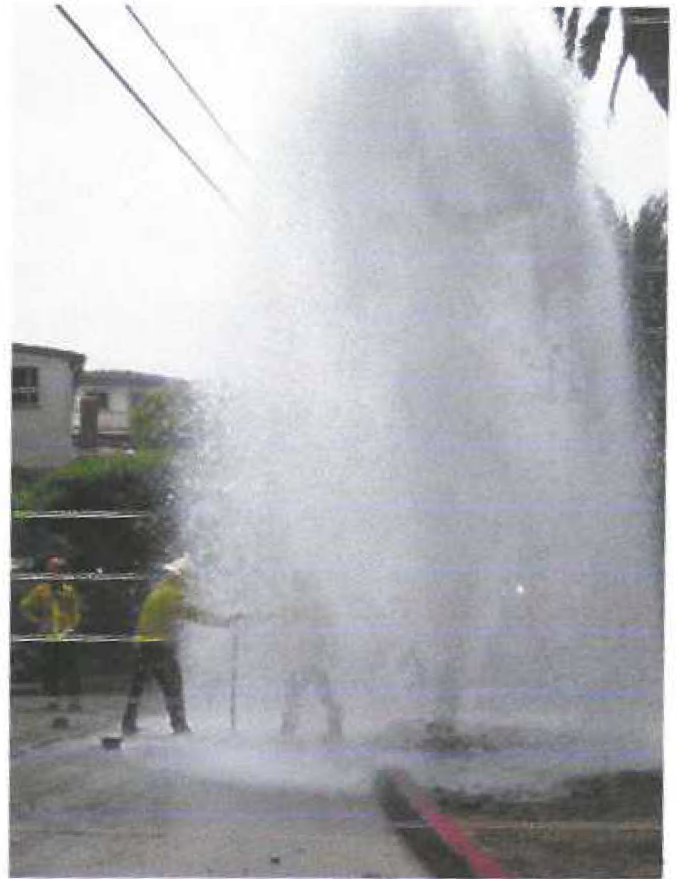

I'm hoping you will comply with the city's mandate also attached so my child can descend the hill safely.

Respectfully,

Lester Wisbrod
