

ADOPTED BUDGET RECOMMENDATION

Instruct the Bureau of Street Services to report to the Public Works and Gang Reduction Committee on the status of replacing grass with drought tolerant landscaping on medians citywide. The report should include the percentage of medians that have been converted to drought tolerant landscaping, the progress projected for the 2016-17 year and the timeline to achieve 100 percent conversion.

(Pursuant to adoption of the Mayor's 2016-17 Budget on May 19, 2016)
