

CITY OF LOS ANGELES
INTER-DEPARTMENTAL MEMORANDUM

Date: August 11, 2021

To: Honorable City Council
c/o City Clerk, Room 395
Attention: Honorable Mike Bonin, Chair, Transportation Committee

From: Seleta J. Reynolds, General Manager 
Department of Transportation

Subject: **THIRD AMENDMENT TO AGREEMENT C-128057 BETWEEN THE LOS ANGELES
DEPARTMENT OF TRANSPORTATION AND AAMCOM LLC FOR THE MANAGEMENT OF
THE CITYRIDE PARATRANSIT PROGRAM COORDINATOR AND TRANSIT TECHNOLOGY
SERVICE**

SUMMARY

The attached report was approved by the Mayor with ED3 waiver. This report is now referred to Council for review and approval.

RECOMMENDATION

That the City Council, subject to the approval of the Mayor:

Authorize the LADOT General Manager to execute the Third Amendment to Agreement C-128057 with AAMCOM, extending the term of the Agreement for a period of twelve (12) months and increasing the contract ceiling by \$1,287,365, subject to the approval of the City Attorney as to form and legality.

BACKGROUND

In a report to the Mayor dated July 1, 2021, LADOT requested that the Mayor's Office authorize LADOT to execute the attached Third Amendment to Agreement C-128057 with AAMCOM. The Mayor's Office approved, waived ED3 review, and transmitted the report and draft contract to LADOT. LADOT now requests that the Council approve the Department's recommendations above.

DISCUSSION

The current contract expires on August 31, 2021. LADOT requests authorization to extend the term of the Agreement with AAMCOM for a period of twelve (12) months for the continued management of the Cityride Paratransit Program Coordinator and Transit Technology Service contract, to allow additional time for the City to issue the new Cityride Paratransit Program Coordinator and Transit Technology Service Request for Proposal (RFP), and award a new contract.

Due to the COVID-19 pandemic and the associated budget downturn, the RFP and the contract process has been delayed. The contract extension of twelve (12) months is a stop-gap measure to ensure an uninterrupted management of the Cityride Paratransit Program Coordinator and Transit Technology services. Halting these services will directly impact eligible Los Angeles residents who are 65 years old or individuals with disabilities who rely on Cityride for essential travel.

LADOT negotiated a cost proposal with AAMCOM for the recommended twelve (12) month contract extension – Exhibit 1 – Proposed Cost Sheet.

FISCAL IMPACT

Funding for the Cityride Paratransit Program Coordinator is included in the FY 2019-2020 Proposition A local Transit Assistance (PALTA) Paratransit Program Coordinator Fund No. 385 Account 94S241 and FY 2020-2021 Fund No. 385 Account 94T241. This project, therefore, does not create an impact on the City's General Fund budget.

CITY OF LOS ANGELES
INTER-DEPARTMENTAL MEMORANDUM

Date: July 1, 2021

To: The Honorable Eric Garcetti, Mayor
Office of the Mayor
Attention: Heleen Ramirez, Legislative Coordinator

From: Seleta J. Reynolds, General Manager 
Department of Transportation

Subject: **THIRD AMENDMENT TO AGREEMENT C-128057 BETWEEN THE LOS ANGELES
DEPARTMENT OF TRANSPORTATION AND AAMCOM LLC FOR THE MANAGEMENT OF
THE CITYRIDE PARATRANSIT PROGRAM COORDINATOR AND TRANSIT TECHNOLOGY
SERVICE**

SUMMARY

The City of Los Angeles Department of Transportation (LADOT) requests authorization to execute a contract amendment with AAMCOM LLC (AAMCOM) for the continued management of the Cityride Paratransit Program Coordinator and the Transit Technology Service.

RECOMMENDATION

That the City Council, subject to the approval of the Mayor:

Authorize the LADOT General Manager to execute the Third Amendment to Agreement C-128057 with AAMCOM, extending the term of the Agreement for a period of twelve (12) months and increasing the contract ceiling by \$1,287,365, subject to the approval of the City Attorney as to form and legality.

BACKGROUND

On August 17, 2016, the City Council approved the Cityride Paratransit Program Coordinator and Transit Technology Service five-year contract with Keolis Transit Services, LLC (Keolis) dba MyTransit Plus (C.F. 16-0804). The Cityride Program provides fare subsidies for our paratransit and taxi programs for eligible older adults and persons with disabilities. Keolis provides Cityride program registration and fulfillment of Cityride fare value for Cityride participants. Keolis also provides technical support services, as needed, for the Charter Bus Program. Keolis began its fourth year of the contract on September 1, 2019.

On September 16, 2019, Keolis informed LADOT that its headquarters was moving from Los Angeles to Boston and, as of December 15, 2019, would no longer perform the services of the Cityride Paratransit Program Coordinator and Transit Technology Service contract. Instead of terminating the contract and leaving the City without a Cityride Program, Keolis requested a contract reassignment as allowed in the contract. LADOT recommended acceptance of the proposed reassignment to ensure continuous

operation of the Cityride program. On December 10, 2019, Council approved the transfer of the contract from Keolis to AAMCOM.

DISCUSSION

The current AAMCOM contract expires on August 31, 2021. LADOT requests authorization to extend the term of the Agreement with AAMCOM for a period of twelve (12) months for the continued management of the Cityride Paratransit Program Coordinator and the Transit Technology Service contract. This allows additional time for the City to issue a new Cityride Paratransit Program Coordinator and Transit Technology Service Request for Proposal (RFP) and award a new contract.

Due to the COVID-19 pandemic and the associated budget downturn, the RFP and the contract process has been delayed. The contract extension of twelve (12) months is a stop-gap measure to ensure an uninterrupted management of the Cityride Paratransit Program Coordinator and Transit Technology services. Halting these services will directly impact eligible Los Angeles residents who are 65 years old or individuals with disabilities who rely on Cityride for essential travel.

LADOT negotiated a cost proposal with AAMCOM for the recommended twelve (12) month contract extension – Exhibit 1 – Proposed Cost Sheet.

FISCAL IMPACT

Funding for the Cityride Paratransit Program Coordinator is included in the FY 2019-2020 Proposition A local Transit Assistance (PALTA) Paratransit Program Coordinator Fund No. 385 Account 94S241 and FY 2020-2021 Fund No. 385 Account 94T241. This project, therefore, does not create an impact on the City's General Fund budget.
