Summary:

On August 24, 2016, your Committee considered a Resolution (Harris-Dawson - Bonin) relative to the establishment of parking restrictions for oversize vehicles on certain streets in Council District 14. Specifically, the restrictions would apply to:

- a. Huntington Drive North between Maycrest Avenue and Van Horne Avenue
- b. North Avenue 66 between York Boulevard and Meridian Street

According to the Resolution, CVC Section 22507 authorizes cities to restrict the parking of vehicles, including but not limited to, those vehicles that are six feet or more in height, on identified City streets during certain hours. Also, LAMC Section 80.69.4 allows Council to authorize by Resolution, the streets upon which the parking of oversize vehicles shall be restricted between 2:00 am and 6:00 am. For the specific area, Council District 14 is experiencing public safety issues associated with large vehicles that are parked for large periods of time on various streets.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend adoption of the Resolution as detailed above and attached to the Council File. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
