Summary:

On August 24, 2016, your Committee considered a Resolution (Buscaino - Englander) relative to the establishment of parking restrictions for oversize vehicles on certain streets in Council District 15. Specifically, the restrictions would apply to both sides of the public streets that are bounded:

- a. On the north by 240th Street/Frampton Avenue
- b. On the west by South Western Avenue

c. On the south by Lomita Boulevard

d. On the east by Frampton Avenue

According to the Resolution, CVC Section 22507 authorizes cities to restrict the parking of vehicles, including but not limited to, those vehicles that are six feet or more in height, on identified City streets during certain hours. Also, LAMC Section 80.69.4 allows Council to authorize by Resolution, the streets upon which the parking of oversize vehicles shall be restricted between 2:00 am and 6:00 am. For the specific area, Council District 15 is experiencing public safety issues associated with large vehicles that are parked overnight and constrict travel lanes, thereby creating dangerous situations.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend adoption of the Resolution as detailed above and attached to the Council file. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
