MEMORANDUM OF AGREEMENT

Between

**Los Angeles Police Department
INTERNET CRIMES AGAINST CHILDREN TASK FORCE**

and

Orange County Sheriff's Department

I. PARTIES

This Memorandum of Agreement (MOA) is entered into by and between the Los Angeles Police Department (LAPD) and the Orange County Sheriff's Department (OCSD).

II. BACKGROUND

The LAPD is the recipient of a United States Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP) grant to enforce laws regarding Internet Crimes Against Children (ICAC), and the LAPD utilizes this grant to administer and operate the Los Angeles ICAC Task Force.

The OJJDP has created the ICAC Task Force Program, which is a national network of state and local law enforcement cybercrime units. The national ICAC program assists state and local law enforcement agencies in developing an effective response to cyber enticement and child pornography cases. This help encompasses investigative and forensic components, training and technical assistance, victim services, and community education. Due in large part to the technological aspects of these cases, the ICAC Task Force Program promotes a multi-jurisdictional, multi-agency, team approach to investigating and prosecuting ICAC cases.

The mission of the Los Angeles ICAC Task Force therefore is to: (1) properly investigate and prosecute those who sexually exploit children through the use of the Internet and/or computers; (2) provide training and equipment to those involved in investigating and prosecuting ICAC; and (3) provide community education regarding the prevention of ICAC.

III. PURPOSE

The purpose of this MOA is to delineate the responsibilities and expectations of the OCSD and the LAPD, and to formalize their working relationship in the Los Angeles ICAC Task Force. By signing this MOA, OCSD agrees to join the ICAC Task Force for the primary purpose of vigorously and properly investigating ICAC. By joining this Task Force, OCSD will benefit from grant resources, joint operations, and extensive training opportunities. By entering into this MOA, the Los Angeles ICAC Task Force will benefit from OCSD's investigative support.

IV. INVESTIGATIONS

Investigations will follow guidelines established by each agency's respective policy manual or guidelines. However, ICAC investigations shall also be governed by the national ICAC program's Operational and Investigative Standards (attached). Violation of the ICAC operational standards is cause for cancellation of this MOA. This MOA is not intended to infringe on the ongoing investigations of any other agency. It is agreed that unilateral acts on the part of employees involved in Task Force investigations are not in the best interest of the Task Force.

A. OCSD Responsibilities:

OCSD will:

1. Use only sworn law enforcement investigators to conduct all ICAC investigations. Each investigator involved with undercover operations **must** receive ICAC training prior to initiating proactive investigations and shall submit reports of all undercover activity to the OJJDP.
2. Conduct reactive investigations where subjects are associated within OCSD's jurisdiction, including investigations of child pornography, CYBERTIP referrals from the National Center for Missing and Exploited Children (NCMEC), Internet Service Provider and law enforcement referrals, and other ICAC-related investigations. Additional case initiations may develop from subject interviews, documented public sources, direct observations of suspicious behavior, public complaints, etc.
3. Record and document all undercover online activity. Any deviations from this policy due to unusual circumstances shall be documented in the relevant case file and reviewed by the ICAC Task Force Unit Commander.
4. Provide the Los Angeles ICAC Task Force with access to all ICAC investigative files including, without limitation, computer records, in order to ensure compliance with all national ICAC standards.

5. Locate its ICAC investigators in secured space provided by OCSD with controlled access to all equipment, software, and investigative files. At a minimum, information should be maintained in locked cabinets and under control of OCSD ICAC Task Force personnel, with restricted access to authorized personnel only.
6. Conduct education and prevention programs to foster awareness and provide practical, relevant guidance to children, parents, educators, librarians, the business and law enforcement communities, and other individuals concerned about Internet child safety issues. Presenters shall not discuss ongoing investigative techniques and undercover operations utilized by the ICAC Task Force.

V. SUPERVISION

The OCSD will be responsible for the day-to-day operational supervision, administrative control, and personal and professional conduct of its officers and agents assigned to the Task Force. ICAC investigations are a cooperative effort and investigative decisions will be a joint process guided by ICAC standards.

VI. JURISDICTION

The principal sites of task force activity will be within the jurisdictional areas of the respective member law enforcement agencies. Nothing in this agreement shall otherwise limit or enhance the jurisdiction and powers normally possessed by a OCSD employee as a member of the OCSD.

VII. EVIDENCE

Seized evidence and any other related forfeiture will be handled in a manner consistent with the seizing law enforcement agency's policies.

VIII. LIABILITY

The OCSD is responsible and liable for the acts and omissions of its own officers, agents or employees in connection with the performance of their official duties under this MOA. For tort liability purposes, no participating agency shall be considered the agent of other participating agencies. Each participating agency shall be liable (if at all) only for the torts of its own officers, agents or employees that occur within the scope of their official duties.

IX. REPORTING STATISTICS

Using a form provided by the Los Angeles ICAC Task Force, OCSD shall submit monthly statistics to the Task Force on all ICAC investigations or other investigative work pertaining to the sexual exploitation of children via the Internet. These statistics shall be submitted in the appropriate format by the 10th day of

each month, and shall include data on all related investigations opened or closed during the month, as well as forensic examinations, technical/investigative assistance provided to other agencies, subpoenas and court orders issued, training hours attended and taught, and community outreach provided.

In addition, a breakdown of basic case data shall be included for each sexual exploitation of a minor (child pornography) case, and/or criminal solicitation of a minor (enticement/traveler) case investigated by OCSD. The Task Force will be responsible for all required reporting to OJJDP.

X. TRAINING

The OCSD shall make investigators designated as Task Force members available for applicable specialized training provided through the national ICAC program and other appropriate training programs. The Task Force will review training requests and provide funding for ICAC-approved training when appropriate.

XI. CONFIDENTIALITY

The parties agree that any confidential information pertaining to investigations of ICAC will be held in the strictest confidence, and will only be shared with participating ICAC Task Force members or other law enforcement agencies where necessary or as otherwise permitted by federal and/or state law.

XII. EFFECTIVE DATE

This MOA shall be effective on August 15, 2011 and continue until such time as federal funding for the Grant ends or the MOA is canceled by either party upon written notice delivered to both agency directors.

Entered into this 15th day of August, 2011.

Orange County Sheriff's Department

Charlie Beck, Chief of Police
