City of Los Angeles

July 29, 2025

Dear Madams and Sirs:

I write on behalf of Women Organizing Resources, Knowledge and Services, a nonprofit affordable housing development group, to support with enthusiasm the motion to prohibit the use of the N-word and the C-word in discourse at City Council meetings.

All Angelenos deserve respect in word and deed, especially in the halls of power.

We urge you all to support this motion.

Kind regards,

Mary-Jane Wagle
Chief Executive Officer
