**FACT SHEET**  
**SUPPLEMENTAL POLICE ACCOUNT**

The Supplemental Police Account (SPA), within the Forfeited Asset Trust Fund, is an annual allocation of \$1.5 million made to the Los Angeles Police Department (Department) in accordance with Administrative Code Chapter 120, Section 5.520. Actual disbursement of these funds can occur only after expenditure plans are submitted to and approved by the Mayor and City Council. With Department management input, Fiscal Operations Division prepares the annual expenditure plans based upon operational needs. The expenditure plans are allocated into three categories: Miscellaneous Operational Expenses, Equipment, and Travel and Training. Allocations vary annually among these categories. Each category includes an addendum detailing the items for which the funds will be used.

Funds in the category of Miscellaneous Operational Expenses are used to support division-specific law enforcement activities. A significant amount is earmarked for the purchase of narcotics and payment of informants, both important law enforcement tools that reap tremendous gains in the area of drug enforcement. Funding in this category is also provided to support various telecommunications and investigative expenses including vehicle leases, cellular and surveillance services, veterinary services, and range fees for specialized training.

Funds in the category of Equipment are used to purchase necessary safety and support equipment for various Department supplemental police operations.

Funds in the category of Travel and Training are used to send Department personnel to various locations for work-related travel and training.
