Summary:

On November 9, 2016, your Committee considered a Resolution (Wesson - Bonin) relative to the establishment of parking restrictions for oversize vehicles along both sides:

- a. Louvre between Sutter Street and Norris Street
- b. Sutter Street between Van Nuys Boulevard and Paxton Street
- c. Pala Street between Louvre Street and Filmore Street
- d. Bradley Street between Paxton Street and Filmore Street

According to the Resolution, there is an increased problem with oversized vehicles parking immediately adjacent to residential buildings in Council District Seven. These large vehicles are often parked overnight and constrict travel lanes thereby creating undesirable roadway conditions. After consideration and having provided an opportunity for

public comment, the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
