Summary:

On February 8, 2017, your Committee considered a Resolution (Martinez - Bonin) relative to the establishment of parking restrictions for oversize vehicles for the following streets in Council District Six:

- a. Truesdale Street between Sparton Avenue and Roslyndale Avenue.
- b. Reedley Street between Snowden Avenue and Sparton Avenue.
- c. Canterbury Avenue between Filmore Street and Tonopah Street.
- d. Nordhoff Street between Woodman Avenue and Wakefield Avenue.

e. Woodman Avenue between Van Nuys Boulevard and Pierce Street.

f. Arleta Avenue between Filmore Street and Paxton Street.

There is an increased problem with oversized vehicles parking overnight in Arleta immediately adjacent to residential buildings where these large vehicles are often parked overnight and constrict travel lanes, thereby causing dangerous situations.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
