## REQUEST FOR FINAL ORDINANCE

On January 18, 2017, the Planning and Land Use Management (PLUM) Committee considered a report from the Los Angeles City Planning Commission relative to a proposed Ordinance to amend Sections 12.04, 12.32, 13.20, and 16.05 of the Los Angeles Municipal Code in order to authorize the establishment of a "HCR" Hillside Construction Regulation Area that may be applied to regulate the construction of single-family homes in hillside areas.

During the discussion, the PLUM Committee continued the matter and requested the Office of the City Attorney to prepare the final Ordinance in accordance with the draft language provided in the Department of City Planning report dated December 23, 2016 and attached to Council file No. 16-1472-S1.

The suggested changes to the draft language presented by Council District Five will be reviewed by the PLUM Committee concurrently with the final Ordinance.

Please transmit the final Ordinance to the City Council, c/o the Office of the City Clerk, City Hall, Room 395. In addition, please reference Council file No. 16-1472-S1. If you have questions, please contact me at (213) 978-1537 or [zina.cheng@lacity.org](mailto:zina.cheng@lacity.org).

Thank you,
