Good morning.

Can you please give me the status on the item (emailed to you previously) - see below.
Did the PLUM approve the project - and recommend to proceed?

Please let me know.
Thank you.

~ Alek.

Subject: PLUM item No. 17-0029

Dear Sir or Madam:

Regarding the item #17-0029, a 21-story hotel, to be constructed at:
6407 West Sunset Blvd, 6407-6411 West Sunset Blvd, 1511 North Ivar Ave. and 1512 North Cahuenga Blvd,

as a local resident - living walking distance from the project site -
I would like to express my **STRONG SUPPORT** towards this project.

I believe, this project will provide much-needed lodging to this area (*currently most of Hollywood severely lacks upscale hotels, while mostly being inundated by motels and other sketchy lodging*), will dramatically improve the area and, more importantly, will make the surrounding neighborhood more pedestrian-friendly and tourist-friendly, and safer!

I strongly urge the City to endorse this great project!

Please feel free to enter my name as a local supporter.

Thank you.

Sincerely,

~ Alexander Friedman

Hello Alek,

In response to your question, you may view the activities of 17-0029 on www.lacouncilfile.com
As of April 4th, the Planning and Land Use Management Committee continued item to May 2, 2017.

Please be aware you may also participate in the early notification system for Council files. You may sign up for automatic email alerts when an item has any activity, such as when the item is scheduled on a future Planning and Land Use Management Committee or City Council meeting agenda.

Please follow these instructions to participate in the early notification system.

Visit the web address -- www.lacouncilfile.com

Click on the navigation tab entitled, "Disclaimer / Help"

Click on the page section entitled, "Council File Management System Help"

Follow the instructions listed after "How do I Receive Automatic Notifications when there is Activity on a Council File?"

The Council file related to CPC-2015-2893-VZC-HD-CUB-ZAA-SPR is 17-0029.

Thank you,
Zina Cheng
