Re: Council District 11 Alternate to Community Forest Advisory Committee

Dear Chair D'Antonio,

I humbly request that Carolyn LoBuglio be appointed to serve a consecutive term on the Community Forest Advisory Committee as the Council District 11 Alternate, effective immediately.

Ms. LoBuglio, a proud Brentwood resident, has invaluable experience serving community-based organizations and advocating on issues involving sustainability and the urban forest. I am entirely confident that Ms. LoBuglio will continue to represent Council District 11 with distinction, as she has done for many other organizations.

For Los Angeles to become as beautiful and prosperous as it can be, we need the thoughtfulness, guidance, and advocacy of those like Ms. LoBuglio. Thus, I am profoundly thankful for her willingness to serve, and I thank you and the committee for your service as well.

Very truly yours,
