RE: Nomination of Carolyn Lobuglio as Alternate Rep to the Community Forest
Advisory Committee (CFAC) for CD 11

Honorable City Council Members,

As Chair of the City of Los Angeles' Community Forest Advisory Committee (CFAC), I'm pleased to accept the nomination of Carolyn LoBuglio as alternate representative to CFAC for Councilmember Traci Park in Council District 11.

CFAC was formed in 1993 and is tasked with advocating for the protection and expansion of a healthy and robust tree canopy for the City of Los Angeles and its environs. As members appointed by each Council District and the Mayor's office, our role is to advise City Council and city departments on tree-related policies and help develop programs which protect and expand the city's urban forest for the health and well-being of all Angelenos. We are dedicated to habitat/ecosystem/biodiversity protection and more sustainable land use.

Carolyn LoBuglio has been active with CFAC since May 2022 as CD 11 CFAC Representative Isabelle Duvivier's chosen Alternate for CD 11, but for some reason we cannot locate a Council File that indicates her appointment.

As a representative to the Hillside Federation and member of Brentwood Community Council Carolyn LoBuglio is a spokesperson for tree preservation, and her connection to that part of the City is valuable. She attends CFAC regularly, contributes to our efforts, and is positively engaged with the CD 11 Council Office staff.

I welcome Carolyn LoBuglio's continued participation as a CFAC Alternate.

Sincerely,

Joanne D'Antonio, CFAC Chair
