Dear Mr. Lid,

I live at the Hollywood El Centro Apartments — 6211 De Longpre Ave.

I am writing to support the motion for no oversize vehicles (2am-6am) restriction proposal **CF 17-0106** referring to:

- Gower from Sunset to Melrose
- El Centro from Sunset to Santa Monica
- Leland from Vine to El Centro
- De Longpre from Vine to Gower
- Afton from Vine to Gower

These aforementioned areas are vital to my neighbors and myself for parking. Oversized vehicles who anchor themselves on these streets make it extremely difficult (especially for the many senior residents) to locate a place to park reasonably close to their home.

I have also seen large RV's act as shelters for many homeless and that has negatively impacted the safety of the area.

Thank you for taking the time to read my statement.

Kind regards,  
Jonathan Baron
