Dan Halden
Office of Mitch O'Farrell

Dear Dan,

It was a pleasure meeting you last week. Hudson Pacific Properties supports Mitch O'Farrell's motion for Vehicle Code Section 22507 restricting oversized vehicles from parking along North Van Ness and North Gower Street between the hours of 2am and 6am. Further, we would support daytime meters on these streets. In this way commercial use will decrease businesses parking in the residential areas.

Hudson Pacific Properties, owns and operates Sunset Gower and Sunset Bronson Studios. The oversized vehicles are limiting street access for our production vehicles which ~~Production~~ typically shoots in the evenings. This in turns interrupt~~sting~~ our production and studio business.

Thank you for your attention to this matter.

Sincerely,

Bill Humphrey, General Manager
