BALTIMORE MD 212
Dear Los Angeles City Council,

Thank you for establishing
Los Angeles as a sanctuary
city for immigrants and
refusing to let local law
enforcement to participate
in unjust or inhumane
federal immigration
enforcement. The unjust and
harmful threats on our
immigrant friends and
neighbors is appalling, and
I hope that other cities will
follow your lead! Together we
can protect the most vulnerable
among us - and keep America as a
land of opportunity for all.
