

## ADOPTED BUDGET RECOMMENDATION

Instruct the Department of Animal Services to report to the Personnel and Animal Welfare Committee on the increased resources required to provide enforcement and maintain the no-kill policy. The report should include what percent of the City's General Fund budget this represents as well as a cost-benefit analysis on how increased funding for this purpose would lower long-term costs of animal care and control.

(Pursuant to adoption of the Mayor's 2017-18 Budget on May 18, 2017)
