Summary: LFNC supports CF 17-1040 and the designation of Los Angeles as a City of Sanctuary.

The LFNC also encourages the City to work with the Los Angeles Unified School District to ensure that this city-wide sanctuary status incorporate a safety net for parents or students detained by US Immigration and Customs Enforcement by providing proactive assistance and access to district and City information resources regarding, but not limited to, bond relief and legal representation. The LFNC believes that designating Los Angeles as a City of Sanctuary promotes public trust and cooperation by ensuring that all residents, regardless of immigration status, feel comfortable engaging with public safety agencies and accessing public health services and benefit programs. Lastly, the LFNC asks that the City consider establishing an ordinance to reinforce Mayor Garcetti's Executive Directive 20.
