RE: Transmittal for Council File No. 17-1125

On January 28, 2025, the Transportation Committee and the Public Works Committee considered reports from the Department of Transportation (DOT) and City Administrative Officer (CAO) relative to the On-Demand Mobility Program trip fee methodology; and from the City Attorney relative to amending the Los Angeles Municipal Code to updated the Shared Mobility Device trip fees paid to the DOT. After an opportunity for public comment was provided, the Committees recommended the following actions for Council:

NOTE and FILE the DOT report dated September 15, 2025, the CAO report dated December 3, 2025, and the City Attorney report and draft ordinance dated January 18, 2024, attached to the Council file; and ADOPT the Council District Ten amendment and Council District One amendment recommendations in lieu of the recommendations listed in the DOT report dated June 10, 2025, attached to the Council file.

The subject Council File is hereby transmitted to the Budget and Finance Committee for further consideration.

Respectfully,

A handwritten signature in blue ink that reads "Rita Moreno".
