

Amendment Submitted by the Public Works Committee

AMENDMENT # 2

January 28, 2026

(C.F. 17-1125)

ITEM 9

RECOMMENDATIONS FROM THE CHAIR OF PUBLIC WORKS

1. INSTRUCT the Los Angeles Department of Transportation (LADOT), in consultation with the City Administrative Officer (CAO) and the City Attorney, to report back on the feasibility of implementing a tiered permit structure that scales permit fees based on operator size, including an option for smaller operators to pay a lower permit fee, as part of the next ~~iteration~~ ^{iteration} of the On-Demand Mobility Program update.
2. INSTRUCT the LADOT and CAO to provide a verbal report in six months and present to the Public Works and Transportation Committee a status update on the On-Demand Mobility Program, including but not limited to:
 - Total revenue collected per geographic categories;
 - Average number of 311 requests per geographic categories;
 - Average number of trips per geographic; and
 - Number of scooters deployed.
3. INSTRUCT LADOT and CAO to report back in one year to re-evaluate the On-Demand Mobility Program per trip fee structure and permit fees, consistent with Prop 26.
