Summary:

At a regular meeting held on January 17, 2018, the Personnel and Animal Welfare Committee considered a Personnel Department report regarding the Civilian LAwell Employee Benefits Trust Fund. Staff from the Personnel Department and the City Attorney's Office provided the Committee information explaining that the Ordinance will allow the City to be a Voluntary Employee Benefits Association (VEBA), which is now required under Internal Revenue Code Section 501(c)9, and in which the City never created. After an opportunity for public comment, the Committee recommended to approve the recommendations in the Personnel Department report, which requests the City Attorney to prepare the Ordinance. This matter is now submitted to the Council for consideration.

Respectfully Submitted,

PERSONNEL AND ANIMAL WELFARE COMMITTEE
