200 North Spring Street, Room 480
Los Angeles, California 90012

Dear Councilmember O'Farrell,

On behalf of Hollywood Area, I am writing to you regarding public safety issues in my community.

On a regular basis, we are experiencing problems related to the oversize vehicles (RVs, campers, etc.) that regularly park in the neighborhood in excess of 72 hours. In addition to resident complaints regarding parking issues and 72 hour violations, some of the problems involving these vehicles are trash accumulation on the sidewalk, human waste, noise complaints and narcotics paraphernalia. This is negatively affecting quality of life in the area.

To help alleviate these issues, I request that No Overnight Parking (2:00 AM TO 6:00 AM) restrictions be established for oversize vehicles more than 22 feet in length or over 84 inches in height for the following streets:

- Lodi Place between Fountain Avenue and Santa Monica Boulevard
- Fountain Avenue between Vine and Gower Streets
- La Mirada Avenue between Vine Street and El Centro Avenue
- Lexington Avenue between Vine and Gower Streets
- Banner Avenue between Vine Street and El Centro

Thank you for taking these public safety concerns seriously, and for your help in this matter. I can be reached at (213) 972-2900.

Very truly yours,

CHARLIE BECK
Chief of Police
