To Sharon Dickinson:

I'm a homeowner at 1234 Wilshire and I'm writing to you to oppose the application for the alcoholic license of Kiran Hussein's 7-Eleven at the Vero building. This type of 24 hour business attracts the worst elements to our neighborhood. In all the DTLA areas where there are vast amounts of homeless people, they are always congregating outside and inside 7Elevens. They sell liquor at all hours and Kiran Hussein will provide no additional security for our building. Our residents are all opposed to this 7-Eleven.

There is already a 7-11 at [1324 West Seventh](#) which is 2 blocks away from our building.

That location recently had a shooting and police responded 200 times to calls in the past year. The LAPD opposes this 7-Eleven and even showed up at our townhall meeting inside our building to oppose Kiran's application. The LAPD representative said we have glut of liquor stores in this Westlake area that is contributing to the crime in the area.

Please do not issue a liquor license to this nuisance type business.

Sincerely,

James Lee and Teresa Deppman
Residents at Vero
