Enclosed for your consideration is a Contract with Solar Turbines Incorporated that was approved by the Board of Airport Commissioners at its July 9, 2026 meeting. There is no impact to the General Fund.

RECOMMENDATIONS FOR CITY COUNCIL:

1. Concur with said Board's adoption of staff's determination that the item is exempt from California Environmental Quality Act (CEQA) requirements pursuant to Article II, Section 2.f of the Los Angeles City CEQA Guidelines; and
2. Approve a five (5)-year Contract with Solar Turbines Incorporated covering service, maintenance, and repairs for two (2) Mercury 50 gas turbines located at the Central Utility Plant at Los Angeles International Airport, for cost not to exceed \$16,000,000; and
3. Further concur with said Board's action on July 9, 2026, by Resolution 28417, authorizing the Los Angeles World Airports Chief Executive Officer, or designee, to execute said Contract with Solar Turbines Incorporated.

This document and its attachments are advisory only and do not constitute a complete and official submittal to the City Council. The official submittal, including this document and its attachments, will be submitted electronically to the City Council and the Council File Management System pursuant to Charter Section 373 via the City Clerk's website when the file is complete.

Very truly yours,

Grace Miguel, Commission Executive Assistant II
